NAVY WINS ONCE MORE

Defeated Air Force 6 to 1 in Area Soccer League Last Night

Posting their fourth straight victory of the season, Navy whipped Air Force 6 to 1 in a rough Area Soccer League game last night on Acropolis Hill. Both clubs were short-handed; the sailors were without three of their regulars and the Flyers played with only ten men.

Five minutes after the kick-off, the Navy centre-forward, put his team in the lead with a quick goal from close in. McCann accounted for Navy's second marker ten minutes later and Rae tallied again with the tilt twenty minutes old. At half-time Navy led, 3 to 0.

A few minutes after the opening of the second half McCann countered again after Air Force had secured their first goal on a shot by High.

Almost 15 minutes elapsed until Navy scored their fifth goal on a drive by McDonald. A little later Wallace booted home the winners' sixth and final marker.

Navy—Gardiner, Wooton, Kobianski, Delaney, Wallace, Noland, McCann, Cross, Rae, McDonald, Coppin.

Air Force—Blore, Gludening, Rogers, Labovitch, Longley, Oliver, Beck, Gillett, Gillett, High.

Week's Halibut Landings Total
621,000 Pounds—Arthur H. and Northern Bring In Largest Catches

Halibut landings at Prince Rupert for the week ending Friday totalled 621,000 pounds and were almost 200,000 pounds lighter than for the previous week when 806,300 pounds were landed. During the past seven days 26 Canadian boats brought in 394,000 pounds, and seven American boats completed the week's total with 227,000 pounds.

Total halibut catch brought to this port so far this season is 1,989,800 pounds. Of this 624,390 was Canadian, and 365,500 American. All prices have been standard, Canadian selling at 18 1/4 and 16 1/2 cents, and American at 15 and 13 1/2 cents.

Two American boats, the Arthur H., and Northern brought in the week's largest catches. The Arthur H. unloaded 52,000 pounds, and the Northern 50,000 pounds. Largest loads brought in by Canadian boats were aboard the Takla O. and Atli, who each unloaded 28,000 pounds on Monday.

United States Office of Price Administration officials have clarified an announcement made last week in regard to new ceiling prices for drawn No. 1 (10 to 60 pounds dressed weight) halibut. At Seattle the price will be 14 1/2c to 15 1/4c and at Prince Rupert 12c to 13 1/4c. This is an increase, it is stated, of 1 1/4c in fishermen's prices on drawn halibut.

Landings in Vancouver of halibut have been lighter of late, only 72,000 pounds having been landed there on a recent two days.
