The fire department answered a call at 7 o'clock Sunday morning for a trip to the home of L. Branch, 941 Third Ave. West, where a fire broke out in a bedroom. George Leslie Lennox, aged 21, who has been employed as a surgical orderly at the Aero Timber Products logging camp at Juskatla Inlet near Massett, left at the end of last week for Vancouver to join the Canadian active army. His home is at McLean, Saskatchewan.

A. O. Franks, who has been at Fraser Lake since last fall, returned to the city on Saturday night's train and expects to be here for several weeks. He reports that snow was falling generally in the interior as he came through, although there was not a great deal on the ground as yet. It has been a very mild winter in the interior and the ice on Fraser Lake is of only eight inches thickness where usually at this time of the year it is twenty-four inches. This, of course, has made it impossible to start cutting and storing ice as yet.

PUCK RECORD — NEW MARK FOR DECISIVE WIN

Detroit Red Wings Score Fifteen Goals to Blank Luckless New York Rangers.

DETROIT, Jan. 24 — The most decisive victory for a single game in the National Hockey League was scored here last night when the Detroit Red Wings piled up fifteen goals to shut-out the New York Rangers. The Rangers had come over from Toronto where they registered a surprise five to one victory over the Maple Leafs Saturday night. Nine Detroit players participated in last night's scoring barrage. The previous record of this kind had been made two years ago when the Red Wings blanked the Canadiens ten to nothing. The victory put the Red Wings in third place ahead of the Boston Bruins who were losing two games. The Montreal Canadiens continued their pace-setting ways, winning over Boston both Saturday and Sunday nights.

Next game will be tomorrow night when Detroit Wings take on the Bruins at Boston. Week-end scores:

SATURDAY
New York 5, Toronto 1, Montreal 6, Boston 2.

SUNDAY
Montreal 4, Boston 1, Detroit 15, New York 0, Chicago 5, Toronto 3. The Standings to date:

SURVEY OF COMMUNITY

Inspector of Schools Asks Aid of Organizations in Gathering Information on Various Matters.

Presidents of various organizations in Prince Rupert are being circularized by B. Thorsteinson, inspector of schools, with a view to naming representatives at a meeting to be held soon for the purpose of organizing a community survey designed to gather worthwhile information of benefit to the community at large.

With a survey of the recreational situation in connection with which it is felt there is a decided lack of facilities at the present time suggested as an immediate objective, other areas of interest which a survey might include are vocation, health, youth industry, culture, housing and safety.

It is hoped that sufficient active as well as moral support may be forthcoming from organized bodies to warrant the setting up of sub-committees to undertake specific surveys in assigned areas of interest, the combined efforts of these groups to constitute a comprehensive body of information which might later be integrated into a co-ordinated community survey.
