Pay For Paper Now--Ensure Its Deliverv

Faced with a newsprint ration on the one hand and increasing circulation on the other, the Daily News is finding it necessary to comb the circulation list and eliminate those subscribers who have fallen in arrears. Already some have been cut off the delivery and mailing lists. The situation is simply that we cannot carry on with those who do not pay at the risk of not being able to supply those who do. Send in your remittance now to ensure uninterrupted delivery.

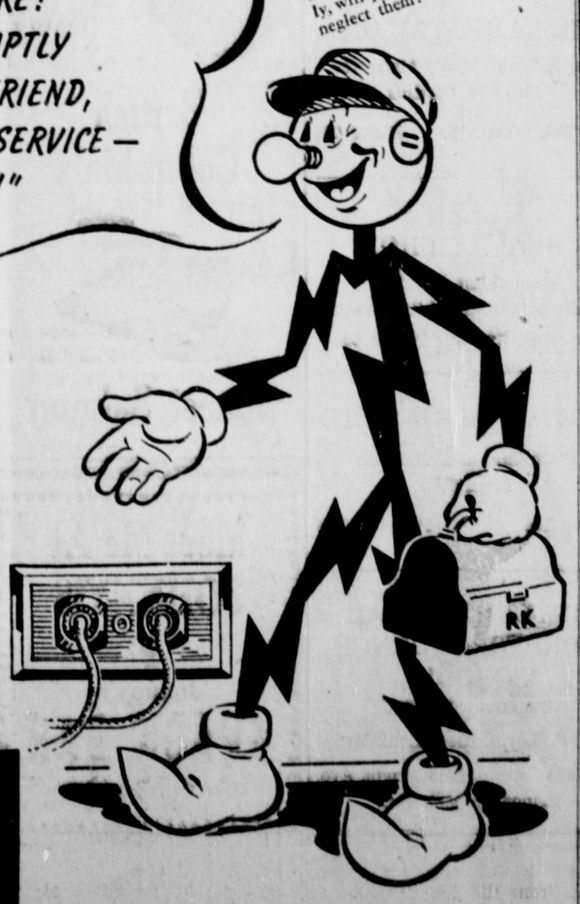
"DON'T NEGLECT A MINOR REPAIR. FRAYED CORDS? LOOSE WIRES? THEY NEED CONSTANT CARE! ATTEND TO THEM PROMPTLY AS YOU WOULD A SICK FRIEND, AND YOU'LL GET GOOD SERVICE— T'WILL PAY IN THE END!"

REDDY SAYS: "Those minor savings of war savings stamps, bought regularly, will pay big dividends. Don't neglect them!"



• A cord is frayed at the plug. Neglect it and first thing you know a fuse is out of commission.

The repair is simple if done immediately. Pull out plug, loosen screws, remove wires; cut off wires at frayed part and remove insulation far enough back to make new connection in plug. Reconnect in plug carefully — and you have saved yourself hours of inconvenience and repair costs!
