Premature Debate . . .

In the discussion of the merits of a swimming pool or skating arena in connection with the local civic centre project, the assumption seems to have been taken that it was just a matter of deciding which was to be had and then go ahead at once and have it. There has been an inclination to overlook the fact that possibly \$100,000 will be required for either project and that without providing anything for the civic centre itself.

The fact of the matter is that the civic centre is still the primary objective and, even if we wait until after the war and buy the Y.M.C.A. building, as it seems it has now been decided to do, we will have to pay something and, perhaps, considerable for it.

With something like \$60,000 on hand and no civic centre yet, perhaps we have been a little premature after all about getting all hot and bothered in arguing the swimming pool vs. skating arena case.

The Chinese aren't alone in varying the meaning of a word by changing the voice inflection. Any woman can say "No" in such a manner that it means, "Yes, please do."

Plainer Language . . .

The Truro Daily News is waging war on official-ese, and especially on the long, gusty archaisms under which the Governor General must write his name every time he proclaims a new piece of legislation.

The Truro editor points out that the proclamation to issue the new five cent coin involved 193 words of traditional literary pomp, as herewith:

OF ALL WHICH Our Loving Subjects and all others whom these Presents may concern are hereby required to take notice and to govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Canada to be hereunto affixed.

WITNESS: Our Dear Uncle, Our Right Trusty and Right Well-beloved Cousin and Counsellor, Alexander Augustus Frederick George, Earl of Athlone, Knight of Our Most Noble Order of the Garter, a Member of Our Most Honourable Privy Council, Knight Grand Cross of Our Most Honourable Order of the Bath, Knight Grand Cross of Our Most Honourable Order of Saint Michael and Saint George, Knight Grand Cross of Our Royal Victorian Order, Companion of Our Distinguished Service Order, Colonel in Our Army (retired), having the honorary rank of Major-General, one of Our Personal Aides-de-Camp, Governor-General and Commander-in-Chief of Our Dominion of Canada.

AT OUR GOVERNMENT HOUSE, in Our City of Ottawa, this seventh day of December, in the year of Our Lord one thousand nine hundred and forty-three and in the Seventh year of Our Reign.

By Command.

Says the Truro Daily News:

"We feel sure that the Governor General must be embarrassed every time he sees such a silly perpetration purporting to be his approval of an ordinary proclamation. Surely, in these democratic times, the simple signature 'Earl of Athlone' would be more dignified . . . It must be more or less sickening to the Earl, every time a proclamation is issued, to have it trotted out how well beloved he is and how dearly we love him and a lot more trash."

The Financial Post says:

"We don't imagine Canadians will be by any means unanimous about this. Some deeply treasure royal, aristocratic and archaic trappings. Some will argue that such are an important part of the machinery which 'doth hedge about a King.'"

It would seem to us that all will agree that the Truro News is on the right track however, when it sets out to hound, harass and exorcise those law and regulation writers who can't say what they want to say in plain language or haven't got the wit to hire someone who can.

"The N.Y. Herald Tribune once pointed out that the book of Genesis tells the entire story of creation in 400 words. The Ten Commandments took 300. The Gettysburg address had 270 words and an order of OPA took 2500 words to announce a reduction in the price of cabbage seed.

"Some of our law and regulation writers are trying to improve. Let them continue and win multitudes of their law writing associates to join them in their striving."

"Churchill is inclined to think he knows more about doctoring himself than his physicians do." In some respects, perhaps he is right. It is said that after 40 a man is a physician or a fool and Churchill is certainly no fool.

HOOP FANS FATTEN AT FIVE GAME FEAST

Triple Bill at Seal Cove. One Game at Navy. And One at Port Edward—Two Women's Games at Seal Cove.

In the two women's league basketball games last night Bo-Me-Hi won from Last Resorts 23 to 22 and the U.S.E.D. girls polished off Maple Leafs 14 to 12. Both games were played at Seal Cove. Also at Seal Cove, the High School boys beat Ontario Regiment 50-43. Yanks beat Navy 72-26 at the Navy Hall. At Port Edward, the Camp team took Coast Battery 60-32.

A close score featured the Bo-Me-Hi-Last Resort game with the Last Resort team prodding the High School girls into real effort to win by a single point.

Last Resort held a lead of 14-13 at the half-way mark and, during the third quarter, tried hard to maintain their lead by throwing in fresh players at two-minute intervals. They were unable to score, however, while Bo-Me-Hi, driving hard took eight counters to make a 21-14 score at the end of the period.

Rallying in the final quarter, Last Resort slipped eleven points through the hoop which would have been good for a win had not the High School girls, urged on by a highly vocal rooting section, placed another basket to give them 23 over Last Resort's hard earned 22.

U.S.E.D.—MAPLE LEAFS

In the second girls' game U.S.E.D. held a five-point lead over Maple Leafs at the half.

why mark, while in the final half both teams scored with a delayed regularity that kept the figures about even until the last few minutes when U.S.E.D. took a two-point lead which they held until the final whistle. Score: U.S.E.D. 14, Maple Leafs 12.

HIGH SCHOOL—ONTARIO

In the only men's game on the Seal Cove floor last night there was a lot of fast-moving basketball with the High School boys the faster and more accurate. They disciplined the Ontario lakers with the authority of a seven-point lead at the game's end, winning, High School 50, Ontario 43.

YANKS—NAVY

The Yanks got a bargain on the Navy floor last night when the boys in blue gave the already win-wealthy Americans a mop-up win of 72-26. High team in the league, the Yanks last night took their eleventh straight win, with no losses.

PORT EDWARD—COAST BATTERY

Out at Port Edward, the camp team almost doubled the 32-point score that the Coast Battery ran up. The Port Edward team, second in the league with eleven games won, and one lost, piled it on the artillery boys to a depth of 60 points. Score: Port Edward 60, Coast Battery 32.

S. C. Thomson returned to the city this morning from a two weeks' trip to Vancouver.

Canadian Legion W.A. Committee

Arrangements were made at the regular meeting of the Women's Auxiliary to the Canadian Legion, held in the Legion rooms, to hold their twelfth anniversary banquet in the Legion Hall on March 15. Since accommodation is expected to be limited, it was decided that only paid-up members would be asked to attend.

Chairman of the meeting was the president, Mrs. A. J. Croxford, and there was a good attendance of members.

Following the disposal of routine letters, the following committees were elected:

Investigation — Mrs. William Rothwell, Mrs. C. Micheloff.

Auditing — Mrs. W. Davies, Mrs. F. Barber and Mrs. R. Murray.

Press Correspondent — Mrs. W. Brass.

Entertainment — Mrs. F. Bar-

IF YOUR NOSE 'CLOSES UP' TIGHT AT NIGHT

MINDERS BREATHING—SPOILS SLEEP

3-PURPOSE MEDICINE

Here's mighty good news. If your nose "closes up" at night and makes breathing difficult, put 3-purpose Vicks Vapo-Rol up each nostril. Vapo-Rol does 3 important things: (1) shrinks swollen membranes, (2) soothes irritation, (3) helps flush nasal passages, clearing clogging mucus, relieving transient congestion. It brings more comfort, makes breathing easier, invites sleep. And remember, it helps prevent colds from developing if used in time.

LETTERBOX

CO-OPERATIVES.

Editor, Daily News.

Referring to yesterday's editorial in your paper, entitled "Talking in Co-operatives" I notice you get in some good plugs for "leading" Liberals and Conservatives and a few healthy slaps at some Socialists and Trade-Unionists.

Undoubtedly some Socialists and some Trade-Unionists are asleep at the switch if they do not wholeheartedly support the Co-Operative Movement.

However, in regard to the "leading" Liberals and Conservatives who are allegedly supporting the movement, I venture to suggest that, if they really support the co-operative movement and see what can be done, even now, on a small scale, when the motivating force of business is the supplying of human needs rather than the making of profits, they will not be leading Liberals and Conservatives very long but will take their rightful place among those of us who believe that the only way to solve our economic difficulties lies in the establishment of a co-operative Commonwealth.
