Vienna Being Attacked

LONDON-American bombers from Italy were reported today to be attacking the Vienna area after which British Mosquitoes bombed the port of Armburg and other objectives in western Germany overnight. One plane was lost. A German minesweeper was set afire off the Dutch coast Thursday

CHUNGKING-Japanese columns, advancing on Kweilin and Luchow, have reduced the strip of Free China between Hong Kong and Manchuria to an area 60 miles wide. The Chinese High Command said the Japanese have broken into Kweiping.

Heavy Fighting in Italy

ROME—Heavy fighting is flaring up on the Italian front along the road between Florence and Bologna. The land battle came after a massive air assault on German positions yesterday by Allied planes. In the East, Eighth Army forces have pushed forward in the foothills south of the Bologna-Rimini road and has occupied the village of Montiano.
