# what is wrong with this RETIREMENT OF

Chief Engineer for Western Region Relinquishes Office

WINNIPEG, April 28 - John Porter, one of the veterans of railway service in the west and 5. What is a word beginning chief engineer of the Canadian National Railways, western region, retires to private life on April 30, according to an an-

the chief engineer of the North of Scotland Railway, now known as the L. & M. E. Railway. In 1902 Mr. Porter came to Canada and started as draughtsman. In 1909 he joined the National Transcontinental as special engineer and in 1913 was appointed chief engineer of the Hudson Bay Railway.

In 1919 Mr. Porter was transferred to the Canadian National Railways as special engineer and since that time has been associated with various phases of engineer work in western Canada. He was appointed chief engineer of the western region in 1940.

Mr. Porter has taken an active interest in community life and is associated with many engineering associations on the continent.

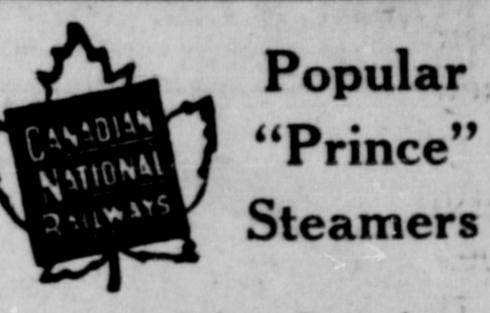

OLD SETTLEMENT The first colonization of Puerto Rico by the Spaniards was in

BIRMINGHAM, Eng., (P-Police are worried about a crime wave here. In 1944 property to the value of £74,415 was stolen as compared with only £21,173 the year before.

This war is being fought for the rights of little things-the sacred right of little nations to live their lives unmolested. It is being won by millions of little sacrifices, little efforts-and millions "doing their bit." Our duty is to make our "bit" bigger, by buying every Victory Bond we can possibly afford-NOW!

### TO THE PEOPLE OF PRINCE RUPERT Who Suffer With Their Feet

You will be interested to know that there is a man in town who has had a wide experience in the correction of fallen arches, and can make Arch Supports that will relieve that painful and tired feeling that only foot sufferers

can explain. Mr. Bill Terry, with many years of study of foot ailments, is now in Hill's Shoe Store, and will be pleased to take an impression of your feet and let you know what can be done in your individual case.

Mr. Bill Terry is also in charge of the Shoe Repairing Dept. where your repairs are executed neatly and promptly. Call around and see him for either reason.
