Warnings Against Wave of Unemployment Are Voiced

Sunday afternoon.

ower commission had burgh, Stan Boshier, Mrs. Doris Five-Point ntention of eventually Blakey and Jack Parker, the electric service to latter a former dry dock worker, mmunity in British Co- express opinions in the Deep Sea following recommendations: He advised on the meth- Fishermen's Hall on the present unemployment "crisis."

The meeting passed a fivestsen, and S. Simpson is point resolution aimed at stimu- scale public works program with lating employment nationally local applications. authorities regarding an alleged home pay. increase in staff house rents to discharged dry dock workers.

Sitting Down

Declaring that the present risis is not caused by the sud-"sit-down strike" by big business which will not operate its plants at capacity while excess profits are taken by the government in taxes. Bruce Mickleburgh urged that the government take over the plants and operate them at capacity if the ndustrialists would not.

This is not one of those cy-
