'Y'
DOINGS

By MARGARET WOODWARD

Last night several hundred dancers gathered in the Auditorium to dance to the music of Bob Wybrow and his pleasing new combination. Feature of next week's dance will be a Jitterbug Contest for all you Jive fans.

Tonight's movie will be "Powers Girl."

You do not have to be an expert to play cribbage at the "Y". The party tonight in the Writing Room is open to all.

Don't forget the Seal Cove Carnival on Thursday. Raffles will be held during the evening. The major one has prizes to the value of over \$100. Several small ones will be held with lucky winners receiving pies and cakes. Tickets for the big raffle may be obtained from station personnel and downtown at Macey's and Variety Store.

In the "Y" Gymnasium

Top teams meet in the Floor Hockey League at the "Y" tonight. Navy expects to give R.C.A.F. league leaders their first defeat and advance to only one point from a first place tie. Airforce have so far won four and lost none, but from the calibre of play in the last Navy game this promises to be a close contest.

The first game of the night at 7 p.m. is between the Soo Sods, who defeated the tough Fortress boys 2-1 last Friday, and 29th Regiment who gave Navy such a tough battle in their last league game.

FILM IS THRILLER

"Ministry of Fear" Coming With Ray Milland as Star

With Ray Milland heading the cast, a psychological drama which carries an emotional punch, "Ministry of Fear" comes this Wednesday and Thursday to the Capitol Theatre.

For cast associates in "Ministry of Fear" Ray has lovely Marjorie Reynolds, svelte Hillary Brooke, handsome Carl Esmond and such central figures of the plot as Percy Waram, Alan Napier and Erskine Sanford.

Elements of fear, intrigue, romance, and suspense have been captured and the mood sustained by the excellent characterizations by cast members.

The story tells of an attempt by Nazi spies to bring back a stolen map to Germany concerning England's plans for invasion of the European continent. The map, enclosed in a cylindrical tube, is concealed in an ordinary cake, offered as a prize at a country charitable affair. The cake, intended for a Nazi agent, comes into the possession of Milland by accident. Thereafter, he is mixed up with spy rings, Scotland Yard and a number of subversive organizations.
