

You Can't Escape the Challenge of His Eyes

His eyes have seen things he can never forget.

And that same challenging look is in the eyes of thousands and thousands of young men who know the fury, the suffering, and the sacrifice of war.

These men of Canada . . . pilots, navigators, bombardiers, gunners and ground crew . . . have written the initials "R.C.A.F." indelibly across the pages of history.

But they are first to admit they are only part of a winning team. There's the Navy . . . the Army . . . the women in all services.

And to hasten final victory, that team needs the help of every man and woman at home to provide and build the weapons of war.

That is why he is looking to you to continue to help . . . by investing to your utmost in Victory Bonds.

Look deep into his eyes . . . and you will not fail to meet his challenge.
