NEW DELHI, June 29 (CP)— It was said by the Delhi radio this morning that the conference in Simla, India, between the ViceRoy, Lord Wavell, and Indian political leaders, had been adjourned until July 14 without having agreed upon an interim government for India. The Moslem League has stood firm in its demand that its members should be the only Moslems on the proposed new executive council. It had been previously reported that leaders of the Moslem League and Congress parties were deadlocked over distribution of

Grains Doing Well on Prairies -B. C. Warm and Dry

WINNIPEG, June 29-Rains of inestimable value have fallen and are falling throughout almost the entire crop growing areas of the west. Late sown coarse grains are all showing above ground with wheat and earlier sown coarse grains having a good stand although short in some districts, according to the weekly crop report of the Department of Agriculture of the Canadian National Railways.

All crops are showing marked improvement and gaining much of the ground lost on account of the late, cool spring. Slight damage from worms has been reported in some areas and weeds wil! affect yields where they have got

Weather in the Okanagan valley has continued warm and dry. Carload shipments of cherries should commence early next week. No damage to crops from any cause has been reported.
