Junior Chamber's Appeal

The Prince Rupert Junior Chamber of Commerce challenges every citizen to do his or her part to make this Spring Clean-Up Campaign an unprecedented success.

Spring Cleaning should not be confined to the housewife. We, and you, are judged by appearances and any city becomes a better city with neat and tidy homes and property. Do your part—and others will be encouraged to do theirs.

Burn useless rubbish — repair fences — cut and trim the grass - clean out the basement and the attic - prevent possible fire - paint where possible.

SPRING CLEANING—Outside as well as inside will bring a glow of pride that all can share. It's a call for "ACTION" Now!

Prince Rupert Junior Chamber of Commerce.
