No need to wonder about synthetic tires standing up-not when you can buy Firestone DeLuxe Champions-the tires that were used on the famous speedway test supervised by officials of the American Automobile Association.

Imagine the punishment those tires took as Wilbur Shaw, the famous race driver, streaked over the 500-mile course to average 100.34 miles per hour ... equal to 50,000 miles of ordinary driving. Not a skid or blowout occurred even when he stepped up to 135 miles on the straightaways!

Be sure to have Firestone DeLuxe Champions on your car. See the nearest Firestone Dealer.
