COAL

DON'T LET YOUR DREAM HOUSE

HAVE THIS

# NIGHTMARE!

Plan now for sufficient outlets in your new or remodeled home.

Overloaded circuits are not only unsightly and inconvenient, they are actually wasteful because they prevent lights and appliances from working efficiently.

Right at the head of new building plans or alterations to your present home, put adequate wiring and outlets to accommodate the new appliances and lighting of the future, as well as for those now in use.

### ANNOUNCEMENT
