EPIC SEA FILM HERE

"San Demetrio, London" Showing on Wednesday at Capital Theatre

The story of "San Demetrio, London," showing this Wednesday only at the Capitol Theatre here, is a true one. The San Demetrio was a tanker carrying 12,000 tons of petroleum which caught fire as a result of a battle which became historic through the heroism of the Jervis Bay. They abandoned ship but later reboarded the vessel and, against what seemed insurmountable odds, controlled the fire, got the engines going again and, with superb seamanship and indomitable spirit, struggled back to England with their ship and the greater part of the cargo.

It is a British picture and the cast includes Walter Fitzgerald, Mervyn John, Ralph Michael, Robert Beatty, Gordon Jackson, Frederick Piper and Charles Victor.

The Wednesday program will also include the final showing the Skeena River Highway opening picture.

CAROL GREY IS HOOP SCORING QUEEN

Basketball Season Nearing End —Girls' Play-offs this Week

Carol Grey, aggressive centre-forward of the Booth Memorial High School team, is the scoring queen of the Prince Rupert Women's Basketball League, acourding to the final individual sniping figures released today by Frank Watson, secretary of the circuit.

Grey's total of 37 points puts her on top by the narrowest of margins, however, Sgt. Murray of the Air Force W.D.'s, did not play the last part of the schedule but still managed to gain the runner-up position with 36 markers.

TORBAY CASUALTIES

TORQUAY, Eng., (CP)—Air raid casualties in the Torbay area, which includes Torquay, Paignton and Brixham, were 168 persons killed. The raids began in July, 1940, and the most serious incident was at Torquay, May 30, 1943, when 40 persons were killed, 25 of them children assembling for Sunday school.

Free Schooling Starts April 1

Drop Tuition Fees in British Municipal Primary and Secondary Schools

LONDON, Jan. 30 (CP)—Tuition will be free in all secondary and primary schools operated by municipal authorities from next April 1, Education Minister R. A. Butler has announced. It is a first step in the ministry's plans to give every boy and girl a chance of first rate schooling, no matter how small the family purse.

Special charges still may be levied at the municipal schools for subjects like violin and piano playing, dancing and elocution but there may be no fees for the ordinary curriculum. Fees for evening classes will be charged but on the understanding that they will be remitted in cases of hardship.

Britain's education plan calls for raising of the school-leaving age from 14 to 15 but this step has been postponed at least a year because of shortage of school-room space and teaching staff.

Nottinghamshire Hub Of Oil Development

NEWARK, Jan. 30 (CP)—Britain's wartime oilfield development, which has supplied the home-based bomber fleet with much of its fuel, is located near Eakring, a quiet Nottinghamshire village seven miles from here, it now can be disclosed.

It is being operated on former farm land (by Anglo-Iranian Oil Co.) and high-grade crude is being produced at a rate of more than 100,000 gallons a day.

Most of the crude is sent by pipeline to a depot two miles away where it is loaded into a nightly tank train for South Wales refineries.

Nearly 400 wells of varying depth have been drilled and about 250 are producers. Production to date is more than 20,000 tons.

JEWELS WEAR WELL

Sapphires and rubies are used in meters and delicate instruments in airplanes, tanks and other war equipment.

Girl Customer: "Does this lipstick come off easily?"

Cosmetics Clerk: "Not if you put up a good fight!"

Patient (to psychiatrist): "Doc, I think my wife is crazy. She saw a goat and wants to bring it home."

Psychiatrist: "Well, what is so queer about that. Let her bring it home."

Patient: "Yes, but she wants to bring it into the house."

Psychiatrist: "Well, just humor her along. Keep the windows wide open and you will not notice the presence of the goat."

Patient: "What! And let my pigeons fly out?"

A small boy had been told that we are here in the world to help others.

"Then what are the others for?" he asked.

Then there was the little girl who was so sophisticated that she wouldn't even believe that the stork brings baby storks.

HOW CAN I ? ? ?

By ANNE ASHLEY

Q. How can I make a good toilet perfume?

A. A good toilet perfume can be made by mixing two ounces of alcohol with one-half ounce of orris root. Keep in a bottle, tightly corked, and shake well before using.

Q. How can I bleach a scorched spot?

A. Rub the spot immediately with a cloth dipped in diluted peroxide. Then run the iron over it and it will be as white as originally. Do not use this method on colored material.

Q. How can I test eggs for freshness?

Place the egg in a pan of water. If fresh, it will lie on its side. If a few days old, it will tilt upwards. If stale, it will stand on end. If very old, it will float.
