HEART-WARMING

"Since You Went Away" Showing at Capitol

The long-awaited panoramic m "Since You Went Away," is showing this Thursday, Friday nd Saturday at the Capitol Theatre.

Starring in the heart-warming film are seven of Hollywood's greatest players: Claudette Colbert, Joseph Cotten, Jennifer Jones, Shirley Temple, Monty Woolley, Lionel Barrymore and Robert Walker.

"Since You Went Away" is the story of the Hilton family, Anne Hilton and her daughters Janet and "Brig," who together face the everyday problems of the family whose man of the house has gone to war. But "Since You Went Away" is more than merely the story of the single household. It is, in fact, the story of every home in time of war.

"Since You Went Away" is not preachment. In essence it is a simple story of simple people. It is the story of an average home; of war plants; of women workers; of victory gardens; of bowling alleys, of trips to the country on week-ends; of young love in spring; of a Christmas party. It is a film full of laughter-and tears, with the laughter predominating.
