Who Minds a little Noise

NTOT Mr. Brown! And it's not that his children are angels! But since he took to drinking Postum, life in the Brown household has been much simpler. That's because Postum contains no caffein to disturb his nerves -no other drug that might affect the heart or upset digestion.

And Postum has such grand, heartwarming flavor-not like tea, not like coffee, just a delicious goodness all its own. You make Postum instantly, right in the cup, just by adding hot milk or boiling water . . . at a cost of less than a cent a serving. Try Postum.

Kinsmen Find They're Not Such a Bad Lot

Give Prince Rupert boys and girls something worthwhile to do, and they'll do it. That's the and they think they have good reason for the opinion.

MIRACLES of MAKE-DI

Ever think of the wealth of perfectly good woollen yarn going to waste in those sweaters you have put away and forgotten?

Too small? A little moth-eaten? Too old-fashioned to compete with a "Sloppy Joe"?

All excellent reasons for not wearing them yourself, perhaps. But they can still be used to good advantage. For instance, why not try making over one into a smaller size? Or into an attractive swim suit for yourself for those warm vacation days next summer?

Here are just a few of the many miracles you can work with a discarded sweater. And, these days, when wool and other yarns are so scarce, they are worth a try. Pattern for dressing gown available at stores.
