Hoop Play-Offs—

Powerful Navy Wins

Undefeated in nine scheduled Area Basketball League "B" Section games, the powerful Navy team trounced Fortress 54 to 13 last night in the Naval Drill Hall to open the sectional play-offs.

Since the teams are playing home-and-home games with total points to count the Fort-res quintet will go into their second fixture with a deficit of 41 markers.

An indication of how well the sailors combined their efforts was the fact that no Navy man scored more than 12 points, while four tallied at least 10.

Sisler accounted for 12 of the winners' counters, while Carter and Horner each bagged 11 and Baird 10.

The line-ups follow: Navy—Sisler 12, Carter 11, Horner 11, Barker 4, Thorburn 6, Harvey, Baird 10—54.

Fortress—McCorkall 4, Taylor 1, Menzies 2, Borgress 6, Rance, Halikas—13.

The other "B" Section play-off game, scheduled to be played at Seal Cove, was postponed as was the girls' engagement.

LOCAL CURLERS FOR SMITHERS

Led by J. L. McEwen, two rinks of local curlers are leaving on tonight's train for the interior to participate in the annual Smithers bonspiel being held this week-end. The Smithers bonspiel is one of the central interior's winter sports classics and it draws competitors from many parts of the district to slide the stones for a fine array of trophies.

In addition to Mr. McEwen, the local party includes J. Strickland, H. Wanamaker, Ward Carey, William Wardale, J. Moore, A. Chappell, Phil Doum and Doug Frizzell.

The party will return to the city on next Tuesday night's train.

Whifflets From The Waterfront

Filling material to receive the piling of the new cold storage plant to be built by the Prince Rupert Fishermen's Co-operative Association on the local waterfront west of the elevator is now being delivered from McNicholl Creek to the site by the Armour Salvage Co. With Capt. Reg. Green in charge, salvage company equipment including derrick and scows are being used with the Co-operative packer Agden for towing purposes.

About 2500 yards of material is being moved across the harbor and the work will take about three weeks it is expected. As for the carrying out of the contract itself, the last official word was that the necessary permits were being awaited. June 30

has been set as the latest date by which the plant is to be ready for operation.

Basketball—

PT. EDWARD WINS TITLE

Overcoming a determined last minute attempt by their rivals to stave off defeat, the Port Edward basketball team defeated Acropolis Hill 32 to 31 Wednesday night in the latter's gymnasium to win the "A" Section championship.

This game was not an Area Basketball League play-off but a fixture to determine the winner of "A" Section. Both teams and the winners of a City-Officers sudden-death game will be included in the play-offs with the champions of "B" Section.

A packed house witnessed the court struggle which saw Henson secure half of the winners' points—16—to emerge as top scorer.

Neither club was able to score with much regularity in the early part of the initial quarter until Acropolis, trailing 4 to 6, tallied three baskets to go ahead, 10 to 6. The hill cagers added another field goal before the frame's end to bring the count to 12-6.

The visitors came back strongly in the second quarter, scoring 10 points to their opponents' one and forging a 16-13 lead by half-time.

Early in the third session Wallingford of Acropolis was injured and retired to the sidelines with a dislocated shoulder. The teams were on fairly even terms in this quarter and at its end the Port Edward squad still led, by 27 to 22.

With little more than a minute remaining in the game Willoughby and Deiss scored in quick succession for Acropolis to shave the visitors lead to 32 to 31 but there the basket-getting ended.

The line-ups follow: Port Edward—Moline 6, Manson 2, Henson 16, Ketchmark, Horn, Thompson 4—32.

Acropolis Hill—Deiss 11, Meehan 2, Kallnovitch, Kiener 9, Wallingford 3, Garzelloni 3, Willoughby 3—31.

Reading of a recent article in Readers Digest, has caused John Bulger of this city to wonder if there may not be a happy place of retirement somewhere in Pacific waters like there is on the Atlantic coast for "jumbo shrimps." On the Atlantic a survey was made and there was located a place where the shrimps go after they have completed the function of breeding, growing to an enormous old age—reaching a size that would never be suspected. Mr. Bulger was curious if there might not be a similar migratory process on this coast and wondered if a survey might not be conducted hereabouts. The fisheries committee of the Prince Rupert Chamber of Commerce is taking up the matter with a view to bringing it before the Fisheries Research Bureau.

DIETICIAN FOR HOSPITAL

Food service in the Prince Rupert General Hospital came in for some discussion at the meeting of the hospital board Monday night and culminated in the decision to explore the possibility of having a dietician added to the staff. It was left in the hands of the lady superintendent, Miss P. M. Mooney R. N., to work with the house committee on this matter. Miss Mooney stated that, from what comments she had heard from patients, the food service in the hospital was now satisfactory. However, the hospital could well do with some new dishes and covers to keep food warm. There could also, no doubt, be a great improvement if a dietician could be obtained.
