## CATHERINE WARD TERRY FORTUNE, WED IN VICTORIA

A wedding of much local interest took place on Tuesday of last week in Victoria when Miss Catherine Ward, only daughter of Constable and Mrs. Joseph Ward of Prince Rupert, was married to Petty Officer Terry Fortune, R.C.N.V.R., elder son of Mr. and Mrs. Theo Fortune of Prince Rupert. At present the well known and popular newlyweds are visiting on Vancouver Island before coming to Prince Rupert.

## MOBILE UNIT CAN X-RAY 100 AN HOUR

There will be no reason why anyone in Prince Rupert should wonder about the condition of his or her lungs when the provincial Board of Health mobile X-ray unit swings into action here next Tuesday.

Staffed by three women technicians, the unit has a capacity to cast its penetrating eye into the diaphragms of more than 1100 people an hour. The actual X-ray operation takes about half a minute and the prints are developed almost as fast as they are presented.

John Stevens, who drove the mobile unit from Vernon, arriving yesterday, says that it is the only one in Canada built especially for the purpose. Among its equipment is a \$1,500 camera and a lead-lined dark-room. The whole unit cost \$20,000.

Constructed on a special chassis, it is 34 feet long with an inside height of more than six feet. Patients enter in groups, entering at the rear and emerging at the front a few minutes later.

Patients strip to the waist and stand in front of a frame while being X-rayed. Record number of patients put through the unit was 420 in a four-hour period. Mr. Stevens said, although they did X-ray 460 in a slightly longer period. The latter group were Doukhobors and Mr. Stevens declined to say whether or not they were already undressed when they entered the caravan.

The staff, consisting of Miss Mary Harrison, Miss Campbell and Miss Coe, arrives here Friday morning from Vancouver.

Mrs. Murdo MacArthur was cashier.

## PASSING OF MRS. LINNEY

Wife of Local Pentecostal Pastor Dies Suddenly in Vancouver

Her many friends have been shocked to learn of the death which took place at 1 o'clock yesterday afternoon in Vancouver, where she had gone for a vacation trip, of Mrs. Elsie Linney, wife of Rev. John Linney, pastor of the Prince Rupert (Pentecostal) Gospel Tabernacle. She had seemed quite well before leaving here three weeks ago but took ill while in the south.

Born in England and about fifty years of age, Mrs. Linney had resided in Prince Rupert for the last year but this was not her first time in the north as she had been previously in Terrace with her husband. In the interior town they were instrumental in organizing a flourishing Pentecostal congregation. Later they went to Revelstoke whence they came here.

In addition to the widower, Mrs. Linney is survived by a daughter, Laverne, and a stepson, Eric Linney.

## PIONEERS OF FRIENDSHIP...

300 years ago, Calvert wrote: "Carry thither the light of truth"

**C**ALVERT, famous 17th century English statesman and founder of colonies in Newfoundland and Maryland, wrote to his settlers shortly before his death in 1632, "Carry thither the light of truth".

Secretary of State to King James I and one of the earliest pioneers in fostering mutual understanding between the Old World and the New, Calvert established his colonies in Newfoundland and Maryland as outposts of friendship over 300 years ago.

Throughout the centuries that friendship...foreseen by Calvert, man of vision...has grown and flourished, developing into today's great partnership between the British Commonwealth and the United States.

### PRESERVE UNITY AND PEACE

It is our birthright as Canadians to foster the close comradeship of England and the United States.

The mutual friendship between the British Commonwealth and the United States began centuries ago when courageous men of vision sailed from Old England to establish colonies in the New World. They were indeed the pioneers of an enduring understanding.

World security depends largely upon the continued co-operation of Britain and America. We of Canada have an important role in the preservation of this great friendship...for the benefit of mankind.
