ARTIST-PACKERS LEAD IN BOWLING

LONDON (CP) — B. Robshow, chairman of Derby County F.C., says clubs will have to increase admission charges if the entertainment tax remains at the present level.

WEST WICKHAM, Kent, Eng. (CP)—John Donald Anderson died November 6, 1932, aged eight. Every year his grandmother, Mrs. H. Anderson, 70, of London, places on his grave a wreath shaped like a birthday cake, with nine flower candles for the ninth birthday he never had.

Artists and Packers are leading the Prince Rupert Dry Dock Bowling League at the East End Recreation Hall. Close behind are Accountants, Tigers and Traffic all tied for third place.

The high three-game scoring team is Tigers with 3085 while Artists have rolled the high single game of 1129. Individual leaders: Three games, Fletcher Hemmons, 788; single, H. J. Boyd, 312; average, J. Paul, 217.

FLAME THROWERS MAY AID SPORT

NEW YORK (CP)—Several of the American Soccer League clubs are in the market for Army and Marine flame throwers. There's no doubt that other sports promoters will also seek the lethal machines which helped bring the Japs to their knees.

The managers of the league's two Maryland representatives the Baltimore Americans and the Baltimore Soccer Club, as well as Erna Schwarcz of the New York Americans and Johnny Slavin of the Brookhattan Soccer Club, are convinced the flame throwers will be the answer to their weather problems. Last season inclement weather caused several postponements which crippled the league schedule.

"Most of our trouble stems from the condition of the playing field," Slavin said. "A flame thrower could clear a pitch of snow and ice and dry it in little time."

Baseball's big league magnates, meeting in Chicago, have turned thumbs down on the Pacific Coast League's application to become a third major diamond loop. It was a surprise announcement, but the National and American League leaders tempered it a bit by adding that they recognized the Pacific organization as a "potential major league territory" and offering it the services of a co-operating committee, if the P.C.L. should desire it.

Night baseball got a going-over during Tuesday's session of the major leagues' Chicago confab. Club owners spent part of the day behind closed doors fighting out the squabble, and announced they were still fighting it out when they had to call time to get ready for their clambake as guests of Commissioner Happy Chandler with whom some of them haven't seen eye-to-eye in recent months. As a result, the battle over the arc-light play goes before the joint meeting. It may give Chandler his first important baseball decision to make since he became commissioner last spring.

Pitcher Ted Lyons of the Chicago White Sox is going back to the firing line next year, even though he will be 45 years old in three weeks. White Sox officials offered Lyons a contract as coach. But he insisted that he can still take a turn on the pitcher's mound, so the Sox management said he would get the chance.

In Ogden, Utah, the Boston Braves' rookie pitcher, B. E. Singleton, has been sentenced to 60 days in jail for striking a man during an argument. Forty-seven days of the sentence were suspended after Singleton pleaded guilty to a charge of battery.

Former Mayor Jimmy Walker of New York has been named the 1945 winner of the Edward J. Neil memorial plaque, which is given annually to the person regarded as having done the most for boxing during the year. The award is voted annually by the New York boxing writers.

Louis B. Mayer's three-year-old filly Busher has been named "horse of the year" by a Baltimore racing magazine (Turf and Sport Digest). All but 15 of the 140 experts polled cast their ballots for Busher.

Hockey encounters Tuesday night saw the Galt Red Wings achieve the most startling upset of the Ontario Hockey Association's Junior "A" season when they subdued Toronto St. Michael's College 5-4. It was the first time Galt has beaten St. Mikes on home ice. Over in the Provincial Hockey League, the Victoriaville Stars strengthened their hold on second place in the loop with a 6-5 victory over the Cornwall Cougars. And in a New Brunswick junior exhibition game, Saint John and Moncton fought to a 2-2 tie.

De Jong's defeated Pool Engineers three games to nil.
