In Toronto Saturday the Maple Leafs made it two straight by whacking the Detroit Red Wings 3-1. The Toronto club scored once in every period with Billy Taylor drawing first blood followed by tallies from ex-Navy man Gaye Stewart and Gus Bodnar. The lone Detroit score came late in the third period from the stick of Defenceman Harold Jackson. Frank McCoo! played a steady game in the Toronto nets but handled only 26 shots while Harry Lumley was barraged with 38 shots. Apparently, the Leafs are obeying Connie Smythe's orders to attack and keep on attacking.

Here's a fight that's far from over-against tuberculosis, the dread plague that still kills more Canadians between 15 and 45 than any other disease.

Your annual purchase of Christmas Seals since 1900 has helped cut the TB death rate 75%! And TB can be wiped out-some authorities say by the year 2000. Yet wartime conditions give TB a new lease

on life-human life.

So please, help us bring up the reserves. This year, buy extra Christmas Seals. Remember, there can be no peace treaty with tuberculosis.
