TED EATS WELL THRIVES NOW! WANTED-Sewing machine, any

WANTED—Private collector here Authorities say the difference until tenth will purchase good between husky children and those who are poor eaters, underweight and nervous is often simply a matter of proper nourishment, especially an adequate supply of vitamins.

But vitamins alone are not enough. For authorities now agree that vitamins do not work alone. They work as a team with certain other food free accommodation provided elements.

For this reason, thousands are switching to Ovaltine. Unlike mere "vitamin carriers," Ovaltine food beverage contains not only extra family of five. Phone 466. (tf) vitamins but nearly all the precious food elements needed for health and top vitality. These include Vitamins A, B₁ and D, the important minerals calcium, phosphorus and iron, high quality proteins and quick energy fuel-food-a combination of food elements authorities agree are

needed for best results. FOR SALE—One studio couch So, if your child is thin, nervous and not developing properly, why not turn to Ovaltine as thousands are doing. Three normal meals plus two glasses of Ovaltine a day give your English made, in first class condition. 621 6th Ave. West. child all the extra amounts of vitamins and minerals needed for health and
