### BENGALS BEING HARD PRESSED

But Detroit Tigers Are Still Game and a Half Ahead

NE WYORK, Sept. 7 (P)—The Detroit Tigers were torn to pieces 14-5 by the New York Yankees in the opener of a double-header yesterday but came back 5-2 in the afterpiece. In Boston, the Red Sox trounced the Cleveland Indians 9-3 and the Chicago White Sox and Philadelphia Athletics split two games. Philadelphia won the first 6-5 and the Chisox took the second. The Washington Senators turned back the St. Louis Browns twice—2-0 and 3-2—to move to a spot one and one-half games behind the Bengals, who are leading the league.

In the National League, the Chicago Cubs beat the New York Giants 6-1 as the Cincinnati Reds downed the Philadelphia Phillies 4-1. The Pittsburgh Pirates scuttled the Brooklyn Dodgers 17-5 while the St. Louis Cardinals and the Boston Braves split a twin-night double-header with Boston taking the opener 9-1 and the cards coming back to win the nightcap 7-3.

### Softball Champions Get \$25 in Cash

Champions of the Junior Softball League will collectively receive \$25 cash in lieu of the proposed trip to Terrace, which proved impractical, it was decided at the Kinsmen's Club meeting Wednesday.

The Terrace trip was called off because the interior town could furnish no opposition for the Prince Rupert junior champions. The junior finalists, Wartime Housing and Knights of Columbus, are to play a sudden-death game to decide the winner but the date hasn't been set yet.

### WESTERN GIRLS PLAY SMART BRAND OF BALL

OTTAWA, Sept. 7 (P)—Western girls are keen softball enthusiasts if the record of civil service girls from the prairies and beyond in Ottawa's women's softball leagues means anything.

The girls' brand of ball can be judged by the Naval Central Registry team—all employed in a branch of Naval Service Headquarters and nearly all from Canada's wide open spaces — which finished the season in top place after winning every game they played.

The team is coached and managed by a westerner, Lieut. Les Monk of Regina, well known in football circles of his home town and in Winnipeg.

Calgary dominates the western group in the team with Ethel Anderson, first baseman; Beverly Smith, left field; Margo Papp centre field, and Helen Schanz, second baseman.

Pauline Forget of Winnipeg holds down third base; Bernice Johanson of Moose Jaw, Alta., presides on the mound and Marjorie Schlosser of Regina, completes the team's outfield. Saskatchewan has a former resident in the catcher's place, Edie Thompson.

The team's western members joined the civil service to work for the navy during a recent civil service recruiting campaign for stenographers through-out the western provinces.

WHEREAS satisfactory proof of loss of the above Certificate of Title issued in the name of James Barratt Gillatt has been filed in this office, notice is hereby given that I shall, at the expiration of one month from the date of the first publication hereof, issue a provisional Certificate of Title in lieu of said lost certificate, unless in the meantime valid objection be made to me in writing.

DATED at the Land Registry Office, Prince Rupert, B.C., this 31st day of August, A.D., 1945.

ANDREW THOMPSON,  
Deputy Registrar of Titles.

### SHORT SPORT

Magistrate W. D. Vance, who is an ardent softball fan, likes all ball games but gets particular enjoyment out of watching the juniors play. "These men who have been coaching the junior teams this summer deserve credit," said he. "Boys should be encouraged to take part in athletics for sports promote healthy bodies and keen minds." Softball, basketball and other fast games teach boys to think quickly and that is a quality that always proves useful, he pointed out.

When the Fortress team takes the field tonight for their second game of the Senior Softball League finals with Port Edward Americans, the Canadian line-up will include Lou McCorkell, second-baseman with Fortress earlier in the season, who has returned from the south.

### REQUEST LOCAL INSPECTOR FOR SMALL VESSELS

Representations to have a resident inspector of small vessels in Prince Rupert to facilitate fishing boat construction in local boat yards are being made to the federal Department of Transport by the Prince Rupert Chamber of Commerce.

At present, boat builders here must wait to have their construction jobs inspected by a Vancouver inspector whose visits are made at uncertain intervals or else complete construction without the required inspection. The latter course contravenes the Canada Shipping Act.

"As we understand it, there are often major delays involved in waiting for a visit by the Department of Transport inspector. This could easily be eliminated by the appointment of a Prince Rupert man as part-time inspector who could be called by boatbuilders when an inspection of a new hull was in order," secretary of the Chamber of Commerce George Rorie said.

"There are at least two men in the city who are qualified to fill the job."

Conversations with boatyard operators reveal that the usual course at present is to inform the Department of Transport office at Vancouver when they have a hull which is required to be inspected.

"Usually they tell us that it is impossible for an inspector to get to Prince Rupert immediately and to go ahead and complete the hull pending his later arrival. The permission has always been verbal and leaves us open to costly changes in construction if an inspector should so decide later," a boatyard operator said.

During the war when the dry dock was in full operation the Transport Department inspector visited Prince Rupert about once a month and the present condition, consequently, did not arise.
