"Objective Burma," Showing This Monday and Tuesday at Capitol Theatre

THRILLING

Epic and thrilling tale of adventures of a hard-bitten assortment of American paratroopers in the Northeast India, Burma and New Guinea campaigns "Objective Burma," with Errol Flynn in the leading role, is the l feature picture this Monday and

Tuesday at the Capitol Theatre. The particular incident around which the action of the picture revolves is the suicidal undertaking of knocking out a Japanese radar station 150 miles behind the enemy lines in Bur-

Flynn is leader of the expedition which takes off in two transport planes, others in the party including William Prince, James Brown, George Tobias, Frank Tang and Henry Hull.

The mission is finally accomplished but not until death and privation have taken their toll.

### ELECTION **FIGURES**

PREMIER JOHN HART B. C. Coalition Leader

Hon. John Hart's wizardry in finance, in 19 years as British Columbia's finance minister won him national recognition and probably had a great deal to do with his election in 1941 to lead the province's first coalition government. His chief aim has always been to keep British Columbia's credit at the highest level and he made good the promise that the province would never default so long as he was minister of finance.

Mr. Hart left the political field in 1924 to devote his time to private business, but was induced to return to the finance ministry in 1933 and retained that portfolio after he took the premiership, succeeding his former Liberal chief, T. D. Pattullo, who resigned after refusing to form a coalition government.

Since boyhood finance has interested him and he once said: "If I had it to do over again, I'd follow the same course. Finance has been a hobby with me."

He was 19 when he reached Victoria in 1998 from his native Ireland. He took work with a financial and importing firm and 11 years later started his own financial business. A year after his election in 1916 as Liberal member for Victoria he was named finance minister.

Mr. Hart still is fond of sport and is a familiar figure at football matches. He also plays tennis occasionally and has twice won the Northwest Senior Golf Championship.

In announcing recently the government's intention to begin reconstruction undertakings costig \$40,000,000 as soon as men and materials are available, he remarked that "more than \$14,000, 000" is in the treasury now to get things started and "more will be available as needed."
