It is expected that the executive will meet to appoint its officers and finance committee at a meeting Tuesday.

Final clause which was added to the constitution was one which invites the public to become contributing patrons to the council.

Harry Breen, chairman of the temporary committee which drew up the constitution and prepared the prospective budget of \$500 a month, was chairman of last night's meeting. Maurice Brydges was secretary.

Many Pledge Financial Aid

Delegates reported on the financial committals made to the Recreation Council by their organizations and these added up to a monthly income of \$355 plus several lump contributions. Following is the list of contributions acknowledged:

or more if it is necessary to balance the budget. This will be paid in a lump sum for the perod from June to December. Junior Chamber of Commerce, \$10 a month.

## Sets Aussie Record

Spencer Gulf has almost doubled its population in six years. It had 4,200 inhabitants in 1939; today it has 7,700. Its birthrate, 40 per 1,000, is the highest in The high birthrate is largely due to the youth of the community. Of 1,360 married persons indexed by national service in June 1944, 814 were between the ages of 16 and 34, 514 between 35 and 45, and only 302 over 45.
