**AIR SERVICE IS COMMENCED**

A new tri-weekly airplane service from Vancouver to the Queen Charlotte Islands, with stops at Sandspit and Massett, and thence through Terrace, Smithers, Prince George and Quesnel to Vancouver commenced at the end of last week with Bill Peters, veteran bush pilot, making the inaugural flight with a twin-engined Cessna aircraft. Stops cannot be made at Prince Rupert because there is no air field here. This place, however, may figure later in the service as the operators, Spilsbury & Hepburn, are planning to add two Canso flying boats to their fleet.

FOR THE JOY of hastening many happy family reunions like this... to bring all our fighting men home again as quickly as possible... to welcome them with all they need to start in civilian life... to give grateful care to the sick and wounded... to show our heartfelt gratitude for the Victory they won so dearly... let us all plan to buy more Victory

Bonds than ever before. There will be only one Victory Loan in the next twelve months. There will be no Victory Loan next Spring.  
Get ready, NOW, to buy double this time—the same rate of savings as in previous Victory Loans, will pay for TWICE as many bonds over the 12 month period.
