PROCLAMATION!

(Issued under the authority of the Emergency Shelter Regulations, Order-in-Council P.C. 9439, December 19, 1944).

DISTRICT OF OTTAWA Is Declared AN EMERGENCY SHELTER AREA

As part of a plan to meet the state of congestion which exists in the district of Ottawa, Board order no. 474 requires that all persons who propose to rent or occupy family quarters in the area must first obtain a permit from the Administrator of Emergency Shelter in Ottawa.

The purpose of the order is to help those who must be in Ottawa to obtain necessary accommodation.

WARNING

All persons who are making plans to move to Ottawa should write to the Administrator asking for full particulars of the Emergency Shelter Regulations.

THIS IS THE LAW

No person who was NOT in occupation of family quarters in this area on January 17, 1945, shall rent or occupy family quarters in the district without a permit (Form E.S. 1) which will designate the residence to be occupied.

Every person who, after January 17, 1945, occupies any family quarters in the district contrary to the order, commits an offence and, in addition to other penalties, will be required by the Administrator to vacate the shelter and the district at his own expense.

The Emergency Shelter Regulations provide serious penalties for hindering or obstructing these efforts and for any contravention of the regulations or of an order of the Board or of the Administrator.
