

C.A. WILL USE 21-PASSENGER AIRCRAFT

TRANS-CANADA AIR LINES is adding ten new passenger air liners to its fleet in order to cope with increased demand for air travel. A few days ago in Prince Rupert, Hon. C. D. Howe, Minister of Reconstruction and Progress, and H. J. Symington, President of the C.A., president of the accepted delivery of these planes, which will augment the carrying facilities of Canada Air Lines, have been found insufficient to meet public demand. Photo also shows the arrangement of seats in 21-passenger aircraft.

The British American Oil Company Limited makes

THREE ANNOUNCEMENTS OF INTEREST TO EVERY CANADIAN MOTORIST

Here's a post-war plan already in operation

1. British American Oil

NOW OPERATES THROUGHOUT B. C.

Effective at once—through the purchase of the Union Oil Company of Canada by the British American Oil Company Limited—your Union Oil station will carry two signs—the well known orange-and-blue 76 and the sign of the big B-A. This means that wherever you drive in British Columbia you will find the courteous service and high quality products for which both companies are renowned.

2. British American Credit Cards

NOW VALID THROUGHOUT B.C. AND THE U.S.

Effective at once, customers of both British American and Union Oil may use their credit cards at all stations displaying either or both signs. These cards will be honored throughout the United States, too! Friendly arrangements have been completed with three other great independent oil companies—Gulf Oil, Mid Continent Petroleum, Union Oil of California—to welcome and serve motorists holding B-A and Union Oil credit cards.

3. British American Oil

RESTORES GASOLINE TO PRE-WAR QUALITY!

Effective at once, gasoline of pre-war power and economy is being made available at all B-A—Union Oil stations in British Columbia. And as new type engines are produced, immeasurably superior gasolines—product of wartime research and manufacturing capacity—will be at your disposal.

Buy with confidence at the sign of the big B-A and the Orange-and-Blue 76!
