In no other case is the quality of milk so important as in that of the bottle-fed baby. And more and more such babies are getting Carnation Milk formulas-even tiny, premature babies-and twins and triplets and quadruplets.

Remember that Carnation is just pure, whole milk evaporated to double richness. But it has special advantages for babies. It is more. digestible-and absolutely safe-because of heat treatment. It is uniform because of homogenization. It has extra "sunshine" D. Write for free book "Your Contented Baby". Carnation Co. Limited, Vancouver, B.C.
