raising the mill rate from 16.23 In explaining the work of the trustees during the past year, Mr. Michiel stated that Terrace is still increasing in population, not decreasing as many expected. As a result more permanent accommodation will be needed by the schools. At present one elementary class is in rented quarters. Four elementary grades are in the permenent school and two high school classes in a converted home. The meeting discussed the possibility of obtaining the use of an army drill hall over, it being certain that four new classrooms will shortly be needed. It was decided to carry
