## MARRIED AT POST CHAPEL

Miss Bernice Straub of Wisconsin Becomes Bride of Lieut. George Weeks

The Acropolis Hill post chapel was the scene last night of the wedding of Miss Bernice Frances Straub, daughter of Mr. and Mrs. Harry W. Straub of Ellsworth, Wisc., to Lt. George D. Weeks of the Prince Rupert Sub-Port of Embarkation. The Port Chaplain, William D. Rowlands, officiated at the double-ring ceremony in the candle-lighted chapel before a flower-decked altar. The bride wore a street dress of powder blue with matching accessories, and a corsage of red carnations and white gardenias.

Mrs. Weeks has been employed for some time by the Transportation Office of the Sub-Port. Lt. Weeks, of Portland, Maine, has been Adjutant of the Acropolis Hill Cantonment Headquarters.

Miss Verle Straub was her sister's only attendant and Lt. Kenneth J. Lewin was best man. Capt. Louis D. Maguolo gave the bride in marriage. Ushers were Capt. Frederick P. Rivara and WOJG Milton J. LaLonde. The guard-of-honor included Lt.-Col. Eugene J. McNamara, Maj. Louis W. Beck, Capt. Paul L. Dawson and Roy L. Lewis, and Lts. Jack Alderson, Martin Sloan, Ralph Christopherson, and George Lyon.

Preceding the ceremony, T/4 Harold Normann sang "I Promise You," accompanied by T/5 Walter Roberts. "The Wedding March" from "Lohengrin" and Mendelssohn's "Recessional" were played by T/4 Harold Normann.

Following the wedding, a reception was held in the American Officers' Club. In the absence of the bride's mother, WAC Lt. Ruth Talcott received the guests. The couple will leave tomorrow night for Seattle where Lt. Weeks has just been posted.

If you'd seen the room you would have been pretty dismayed, too!... the colors were nice... and the furniture was in pretty fair shape... but somehow it just didn't look right!

"First thing we do," I said to Jim, "is to get new drapes for the window. Then we'll put up the prints your Aunt Sue gave us..."

In no time at all the room started to take shape... but there was still something important missing!

"It's the floor," said Jim. "The room will never look right with a floor like that." "Don't be so sure," I said. "I've got just the idea for the perfect floor—and it's inexpensive, too! ... a Gold Seal Congoleum Rug." We got one the very next day. It will last years, too. The extra deep and durable wearing layer of heat-toughened paint and baked enamel is actually equal in thickness to 8 coats of best floor paint, applied by hand! It's smooth, easy to clean, and comfortable underfoot. Who could ask for more?
