# TO THE ELECTORS

OF PRINCE RUPERT

I am offering myself again as a candidate for election as Alderman. In 1943 and 1944 elections you consistently elected me and during that time I have been a member of the Health, Police, Relief and Licensing Committees, for two years member of the Finance Committee and have been the City Council representative on the Union Board of Health, the Recreational Council, the Public Relations Council and many other special committees. I have been a member of the Library Board for twelve years and chairman in 1945, and citizen's representative on the Civic Centre Association executive, for three years.

In asking for your vote again, I wish to be judged solely on past performance and if you think my services have been a useful contribution I trust that you will again favor me with your vote.

I represent all classes of voters and am guided only by my desire to serve the best interests of the city and its citizens.
