FORTRESS, AIR FORCE WINNERS

Decisive Victories Scored in Last Night's Play

Corporal Le Maurier, a "flying Frenchman" from Quebec, ran wild to score five goals and lead Fortress to a crushing 10 to 3 triumph over Navy in a floor hockey game last night at the Y.M.C.A. gym.

No flash in the pan was Le Maurier's effort for the big blond forward scored in each period—two counters in the first and third sessions and one in the second.

Stewart, with two markers, and Murray, Coull and Coates scored the remaining Fortress goals and Harvey, Owens and Oliver connected for the Navy.

Score by periods:

Fortress	4	1	5—10
Navy	0	1	2— 3

MAPLE LEAFS ARE NOT DOING SO VERY WELL

TORONTO, May 2 — Harry Davis, the Toronto Maple Leafs' veteran first-baseman, who is making his debut as a baseball mentor this season, is discovering that a manager's life is not always a happy one.

Although the Leafs have had to play some of the Internation League's strongest teams in their early games, they have made a good showing but not a winning one.

The Toronto squad have not suffered a really decisive defeat this year but they have been shaded seven times in nine fixtures and consequently find themselves in the circuit's cellar one game behind the seventh place clubs.

Standings of the International League follow:

Jersey City	8	2	.800
Montreal	6	4	.600

HER VOICE . . . AFTER TWO YEARS—Within an hour of being carried down the gangplank of a hospital ship, wounded and sick Nova Scotian and Prince Edward Island warriors speak to their loved ones by long-distance telephone—free. The cost is borne by a fund from canteens in the Halifax area, and a C.W.A.C. completes the call. Here from a bedside phone in Halifax Military Hospital 30 minutes after his arrivel, Gunner Bert Breen chats with his wife and two tots in Sydney, N.S. C.W.A.C. Company Sergeant-Major Peggy Maitland of Vancouver, B.C., stationed in Halifax, makes arrangements. (Canadian Army Photo).

VETERANS TAKEN ON

TransCanada Air Lines Look To Post-War Plans

WINNIPEG, May 2— To cope with the expansion of post-war aviation nearly 200 repatriated R.C.A.F. veterans have been recruited by TransCanada Air Lines and several schools for their training have been opened at the company's operational headquarters in Winnipeg, W. F. English, vice-president of the air line, announced here today. The figures do not include employees who left T.C.A. to enlist.

In line with T.C.A.'s policy of giving jobs to returned men wherever possible, Mr. English said that 16 air force veterans have completed training in T. C. A.'s traffic department. Seventy-five traffic agents in passenger service are veterans as well as 15 in charge, three passenger agent supervisors and 11 presently in training. There are 23 veterans in radio operator classes.

Fifty-seven R.C.A.F. pilots are now operating the air lines planes and six more are in training.

Before the end of the year it is expected that many more veterans will be trained and passed on to traffic, passenger, service, communications and flight duty.
