## DECREASING

Montreal Munitions Plant Laying off 300 Persons

MONTREAL, Jan. 3 P-Officials of Defence Industries Limlited have announced that they have been instructed by the Munitions Department to reduce the output at the Villeray Works. This plant, now engaged in the assembly of two types of fuses, employees about 1300 workers. It is understood that about 300 employees of the Villeray Works, mostly women, will be released! during January. However they will have the opportunity of Relieftransferring to the Bouchard, Quebec, works of D. I. L. where heavier type ammunition is being manufactured.

PLYMOUTH, (P)— Old timbers from the famous trans-Atlantic liner Mauretania are being made into furniture and other household articles by a cooperage here, Fueleach article marked with the ship's name.

### Whifflets From The Waterfront

The month of January should be marked with a considerable revival in this area of fishing activity which has been very much in the doldrums of late. Now that the Christmas and New Year season is over, seiners and packers should be moving north from night the Canadiens will play Vancouver to engage in the herring fishery. There have been Detroit will meet the Rangers scattered signs of a herring run of late but not in any great W D L F A Pts. abundance. There is also expectto be considerable activity soon on beam trawling for flatfish for export to Britain and other markets abroad.

#### Prince George Man Is Listed Wounded

Canadian Army casualty lists contain the name of one interior man wounded in action. He is Pte. Leslie George Quinn, of B.C. Regiment, whose father, Increase in Lumber Production John Quinn, lives at Prince Keeps Village Prosperous After
