### HOW CAN I??? By ANNE ASHLEY

Q. How can I keep the colors bright in house dresses?

A. When a new colored cotton house dress is to be laundered for the first time, use one tablespoon of salt to each quart of water. This treatment will keep the col- proud of it.

Q. How can I remove odors from bottles?

A. Put a tablespoonful of dry mustard in the bottle, then fill it half full of cold water. Shake thoroughly and let stand for half an hour, then rinse with clear water.

Q. How can I prevent cracks in the icing of the birthday

A. There will be no cracks or broken icing on the birthday cake if the candle holders are inserted in the cake before the icing has set.

CRISP DISPLAY

OF WINTER AT

WEEK-END HERE

Making first seasonal use of his winter talents at the weekend, the Weather Man put on a display which began with copious rainfall Saturday, changed to angry snow squalls Saturday night and Sunday morning and wound up this morning leaving the city festooned with white under a clear, cold sky.

Precipitation over the 24-hour period ending this morning was | .12 inches, which isn't so much and revise the Municipal Voters' until it is translated into snow. List will sit on Thursday, Nov- It then becomes more than an

WALCHEREN RISES FROM THE SEA AGAIN-Literally "sunk" when its dykes were breached by the Nazis during the invasion by the British about a year ago, Watcheren Island, off the Holland coast, is being reclaimed from the sea by Dutch workers with British aid and equipment. A breach in the sea-wall is here being closed by sinking specially-built barges and adding a rock fill. After the inlets from the sea are closed the great task of pumping out the water will begin.
