tain better lighting for the town and also in connection with better radio facilities and the prosepcts of obtaining a water supply. He suggested that the main occupation of the Chamber for the coming year should be in connection with rehabilitation policies. Efforts were also being made to have the Smithers airport included in airway

travel lines after the war. Secretary Roy W. Calderwood presented his financial report for the year which proved to be satisfactory.

WE Canadians are democrats.

a dictator's opportunity.

Adolf Hitler would never have had a chance

his way to leadership. His beer-parlour oratory

impressed his countrymen . . . they were ready

to be swayed, eager to be convinced. Here was

We Canadians don't do things that way.

We don't like being led by the nose. We want

to think for ourselves. We want to do things

in our own way . . . to plan our future as we

will. This is the way we have built Canada

From a primitive land, uninhabited but for

a few tribes of Indians, Canada - in a short

300 years - has grown from a terra incognita

to one of the greatest trading nations of the

This has come to pass through the vision

and pioneering spirit of our forefathers,

through their determination, enterprise, self-

reliance, and the deep-rooted knowledge that

only through hard work, intelligently applied,

into the great nation she is today.

can anything worthwhile be built.

one - Hitler included.

We have made our war effort in the same

Nations to a degree that has amazed every-

We are well into our stride in putting this

war assignment over, and when Victory comes,

we will face the problems of peace with the

same determination to do things in our own

We have not reached our present place in

the scheme of things without mistakes, and we

will probably make mistakes in the future. But,

as in the past, so in the future, we will profit by

our errors . . . building sanely and steadily

by individual determination and self-reliance

to make life a strong and worthwhile thing.

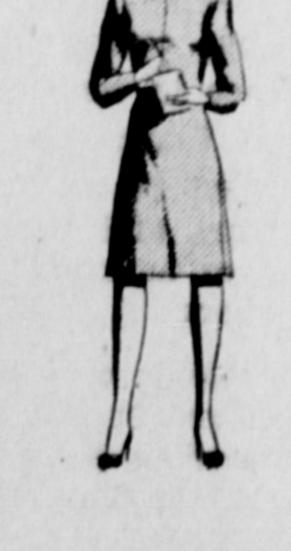

I his message is published as an expression

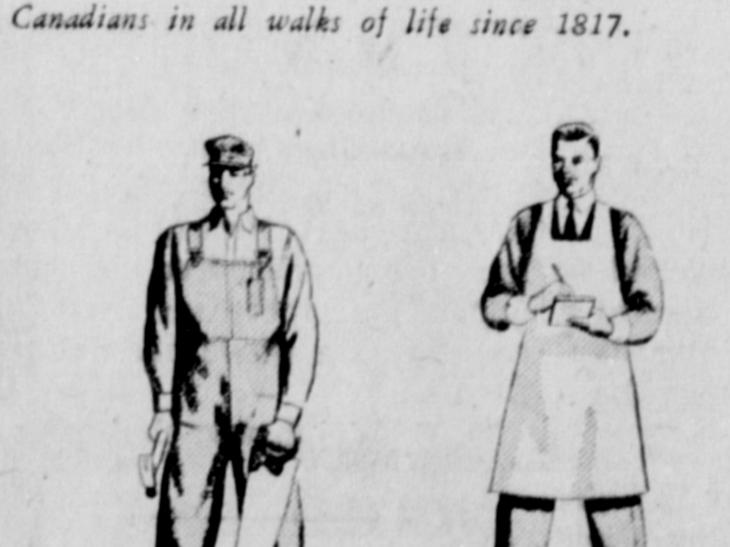

of faith in the future of Canada by the Bank

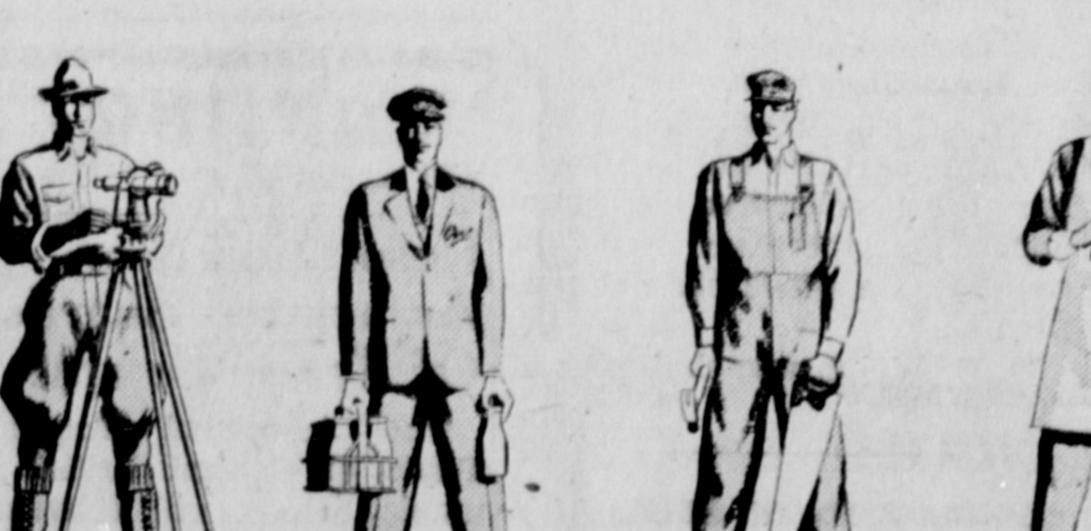

of Montreal, which has been working with
