## Vinch Spoils CF Chances

odds On For Kenney In
ferrace—Minister Has Good
feeting

Lands and Forests E. T. Ken-Lands and Forests E. T. Kenwas in great form Friday hat the Oddfellows' Hall. th Harry King in the chair. Kenney addressed a crowded we and appeared to have the we with him. If there is any ting on the election the odds in for Kenney have gone up the a bit since the Socialists d their say per Harold Winch.

speaking also on the same the same the same the same were F. M. Dockrill of kwa and W. J. O'Neill of Smirs, both former prominent

mords of Hon. Herbert Ansmb as "one of the best men in
cabinet, a hard worker and
man who is doing an excelt job."

## nney Winning

In O'Neill spoke of the exlent work which had been
the by the Coalition governint in the last four years and
erred particularly to the
asures they had taken to do
ay with the "vicious patronesystem, which had existed in
vious years. He stated that,
his 63 years in B.C., he had
a many governments come
is but the Coalition was the
the B.C. had ever produced. He
ke of Socialism as "a doctrine
those who can't get anyere" and gave examples of
a who had used Socialism as
means for furthering their
a ends. He stated that Smiers would give Kenney a vote
to 1 if not better.

M. Dockrill stated that he salso one of the old timers. Terrace, having come in by yof the Kitimaat in 1905. He i cast his first vote in B.C. 1900 and he firmly believed at the Coalition was doing a ter job of government than yother government had ever me. He reviewed the cabinet misters in B.C.:

Hart was one of the most ase financiers in B.C. history.

Was now top in financial ing and there was an outnding balance in the treasury faitland was a singularly sucful attorney general.

siness man whose vast plan public works would provide is for years to come.

denney was courageous and courceful as had been shown his land settlement and for policy and the work of the an Commission.

ded into carrying out any the action. He was responsible the excellent social legislameterical carried out by the govern-

hister of Eudcation whose efts had resulted in the invesation carried out recently by Cameron of U.B.C.

"Against these brilliant en," he asked, "what has the position to offer you today?" sk them who will replace these men. Where is their executive and administrative ab-

He spoke of the present lar leaders in Britain and conlisted their background with
at of C.C.F.'ers. He stated that
e next decade belonged to
orthern B.C. and he didn't
ant the country set back 25
ars.

## ven Kenne

Mr. Kenney amid continued plause then rose to address e meeting. His speech was one figures and facts to show e record of the Coalition govast nment during the past four YE was one to be proud of. ich a record, stated Mr. Keny, plus the program of the ture, was one on which he ould stand before them with ide. It was built upon a founition of good business, backed financial genius. The bonds B.C. sold higher than any of ose offered in any other part the Dominion. The financia! bt of the province has been duced by a large amount with! increase in taxation. There as a surplus of \$15,000,000 in e treasury to be used for postwork. This was considered trust fund, and could not! oken into for any other
