to bury more Bonds

1. Give the Victory Bond salesman a courteous hearing. Have him explain the details of the following ways in which you can pay for Victory Bonds. Then sign your application for as much as you can afford.

2. Pay as little as 10% as your first payment. You can pay more if you wish, but you can begin your purchase with a payment of \$10.00 on each \$100 Victory Bond you buy.

3. Pay the balance through your bank or trust company in equal monthly payments. Give your bank or trust company authority to charge payment to your account each month.

4. Arrange with your employer to have the payment deducted from your earnings. He will then make the payments on your Victory Bonds. The Victory Bond saleman will explain fully the details of this and other plans for buying Bonds in the way that suits you best.

Get Ready to buy

The Allied Forces are driving towards a triumphant Victory.

But—the closer we come to Victory, the more it is vital to make sure that our forces overseas have everything they need to make that triumph certain, sure and lasting.

To make it sure that our men will have everything they need, that they will have the vast quantities of supplies that will give them mastery over the enemy, that will save lives and shorten the war by providing superior weapons in overwhelming numbers, Canada is asking you to buy more Victory Bonds.

There is no safer investment than Victory Bonds. They are backed by all the wealth of the Dominion. They provide you with a means of backing up our men, of playing an important part in the war effort. And they provide a sure and certain fund for your own future needs, earning interest in the meantime.

. Plan now to buy extra Bonds in the forthcoming Victory Loan. There are many easy ways of buying Bonds. Choose the plan that fits your circumstances, and buy all the Bonds you can. Buy extra Bonds this time . . . more than you ever bought before.

8th Victory Loan opens April 23rd
