-to bake bread just right, use Fleischmann's FRESH Yeast

You'll turn to bread especially these days as an essential high-energy, low-cost food. It supplies Vitamin B, and it's a fine stretcher for other foods, too. If you bake bread at home-don't risk any failures. Use Fleischmann's fresh Yeast. It has been Canada's favorite for over 70 years because it gives such good bread every time. Ask for Fleischmann's fresh Yeast, with the familiar yellow label. At your grocer's.

LABOUR and ELECTIONS

Now is the time for decision. In the next few days you must decide by your vote whether we return to the old pre-war days or whether we go forward to build a better Canada of jobs for

The Canadian people have been harassed in this election by a barrage of half truths, lies and misrepresentations from the agencies of big business.

The Canadian labour movement has made its position clear.

The Executive Council of the Canadian Congress of Labour, bound by the decisions of conventions representing the more than 300,000. members of the C.C.L., has declared:

"The legislative and economic program of the Congress . . . was submitted to all political parties in Canada. Only one party, the C.C.F., agreed to accept the program as a basis for legislative action, and the C.C.F. Government in Saskatchewan has aiready implemented this in several respects. In view of these facts, and the further fact that the Canadian Congress of Labour in convention endorsed the C.C.F. as the political arm of Labour, the Congress Political Action Committee calls upon all Canadian workers to work for and elect a C.C.F. Government in the coming elections."

You decide on election day. This time make sure of Security. Elect your C.C.F. Candidate.
