UNTIL I SAW A BOY WHO HAD

NO FEET

• "When I had no shoes I complained—until I saw a boy who had no feet". So reads an ancient proverb.

Left by air-raiders to face life *without feet or legs*, is the pitiful lot of Tony Hyett, of Wickham, England. He is but one of thousands whose sufferings and loss make our own trials seem trivial by comparison.

Will you help the Red Cross care for these innocent victims of modern savagery? The bombed-out in the cities—the wounded in the field—the sick in hospital—the captives in enemy hands—the starving women and children of the liberated countries all look to the Red Cross.

Because the world needs the Red Cross as never before, your generous support is needed now more than ever. Lend a hand! GIVE GENEROUSLY.

Distillation and Want are so urgent and desperate in the liberated countries, that the Minister of National War Services asked the Red Cross, with the collaboration of the Canadian United Allied Relief Fund representing the War Charities of eleven of the United Nations, to include funds for this relief in the national appeal.
