ROCHESTER, Eng., ©—Before the three ancient, Kentish towns of Rochester, Chatham and Gillingham become one county borough, the 150,000 residents will be asked to suggest a name for their new town. Medway is the name most favored.

A telegram from J. E. Myers of Vancouver to P. G. Dawson said that "a number of people would like to bet on the return of the Oliver government but can get no takers. If any money is offered against the government in Prince Rupert, please advise by wire."

Kalum (Beaver) River to the junction with the south fork, followed this, and later crossed the eastern mountain and came to the canyon on the Kalum River. Here he found the Wolf People dwelling and at their invitation returned to his people and brought them to live on the bank of the canyon.

"Later this people moved to the mouth of the Kalum and their descendants are a part of the band that own the reserve immediately across the mouth of the Kalum River.

"The small stone eagle was greatly prized. Possession of this emblem conveyed the seniority in tribal councils. The Legacies tried to buy it. They tried to steal it. But successive chiefs have guarded it—usually burying it on their townsite.

"Some years ago the chief dug it up and inspected it. Then he reburied it, and made a record of the location. Before he died he gave this record to his successor. Now the chief wishes to take it up once more.

"In the meantime the Dominion government built a highway through the reserve. Measurements made this week show that the eagle lies four feet south of the foot of the highway grade.

"Hence the request.  
"From various studies I have made I would say this is possibly the most ancient native artifact in the district.

The National Hockey League career of Big Bryan Hextall—ace right winger of the New York Rangers—may be at an end. That is the opinion reached by the New York Medics last night. They will present a full report to Ranger Manager Lester Patrick. In announcing that the big wheat farmer from Grenfell, Saskatchewan, has been suffering from a liver ailment all season the doctors stated flatly that he has played his last league game of this season. The possibility exists that he may never skate again. They said that it now is doubtful whether Hextall will ever completely recover from the ailment and it may preclude permanently any form of strenuous exercise. Hextall was frozen to a war plant job in Canada last year and did not play with the Rangers. Prior to that he had teamed up with Phil Watson and Lynn Patrick in one of the deadliest scoring combinations in the league.

In Ontario Hockey Association Junior a series play Tuesday night, Toronto Saint Michael's College snapped their first place deadlock with the Saint Catharines Saints by taking a 7-6 decision over Saint Knitts in a see-saw struggle on Saint Catharines ice. In Galt, Lyall Wiseman gathered three goals to help the locals sweep into a third-place tie with the Oshawa Generals, by trouncing the tallent Toronto Young Ranger, 6-1. There was one game played in the Quebec Senior Hockey League circuit—that one in Ottawa. Montreal Royals ran their undefeated string in to twelve straight games by defeating the Ottawa Senators. Over in the Provincial Senior Hockey League, the Lachine Rapides met the Cornwall Cougars in Cornwall Tuesday night, defeating the home town boys 8-3 and stretching the league lead to three games. The Rapides remain undefeated in four starts.

Stan Horne—Montreal's smooth-winged pro—has earned up a new competitive course record of 63—that is eight under par—over the Bubsread course at Orlando, Florida. Horne went around the course with the Dubspread pro—Denny Champagne—Jules Huot of Quebec and Ed Furgol. Warming to his game after a one-over-par 37 on the first nine, Horne clipped off seven birdies, an eagle and a par. He used only eight putts on the back nine.

Marcia Davenport's Best-Seller Novel Reaches Screen Here

"The Valley of Decision," Marcia Davenport's best-selling novel, reaches the screen here this week-end. It co-stars a romantic new team in Greer Garson and Gregory Peck. The supporting cast includes Lionel Barrymore, Donald Crisp, Preston Foster, Marsha Hunt, Gladys Cooper, and Dan Duryea, among others.

"The Valley of Decision" is a tempestuous romance with a solid story. It finds Miss Garson portraying the servant girl Mary Rafferty who comes to work in the big Scott mansion in Pittsburgh in the 1870's and remains to fall in love with Paul Scott, the son in whom the elder Scott places his faith and hope for the future of the family and the steel mill they founded.

The story of their love and of the barriers between them is touching and real. Mary's conflicts with the spoiled Scott sons and daughters and with her own Scott-hating father are among the factors which make for gripping entertainment.

Q. If a dinner guest is late, shouldn't a hostess wait for at least a half hour?

A. No; the maximum length of time is fifteen minutes, and if she wishes she need not wait any longer than five minutes. It is ill-bred and rude for a dinner guest to be late.

Q. Isn't it proper for the bridegroom and his best man to be dressed alike?

A. Yes, with the exception of the bridegroom's boutonniere, which should be different.

**GREET THE MORNING with a Smile!**

Try this at bedtime tonight

Do you sleep soundly and wake up refreshed, clear-eyed and buoyant, ready for the day's work? Or are your nights restless and disturbed, your mornings spoiled by fatigue and exhaustion?

If you've been waking tired and listless, why not do as thousands today are doing—simply drink a cup of Ovaltine warm at bedtime. For Ovaltine does three things to bring vigorous morning freshness.

(1) Taken warm at bedtime, it relieves that feeling of nervous tension—helps the body relax for sleep without drugs. (2) Processed for easy digestion, it supplies light nourishment to prevent restless tossing and turning due to digestive unrest. (3) It supplies a variety and wealth of important food elements to rebuild body and nerve cells, replenish vitality to meet the morning.

Ovaltine furnishes not only essential vitamins, but also a combination of minerals, high-quality proteins and quick energy food elements which authorities agree are necessary for health and top vitality.

So if you sleep poorly—waken tired and listless—why not turn to Ovaltine as an aid to refreshing sleep and clear-eyed, radiant morning freshness. See if you don't begin to wake up each morning brighter, and more buoyant—ready to greet the day with a smile.
