FIREMEN BURN ANCIENT BARN

City firemen, under direction of Fire Chief H. T. Lock, today completed demolition of the old Valentin dairy barn on Eleventh Street at Second Avenue by setting fire to the floor structure. The ancient building was ordered demolished by the city engineer after it had been condemned. Upperwork had been torn down by its Chinese owner who found that the flooring was of no value.

RUP-REC - News -

"A sound mind in a sound body is a short but full description of a happy state in this world." —John Locke.

Travelling around to the seven Rup-Rec classes held last evening proved very enlightening. Even the most hardened sceptic would have felt his heart soften at the sight of over 100 young people taking part in healthful recreational activities. This must be some sort of a record but one that will be broken many times in the near future, we expect.

In the junior girls class at the "Y," Instructress Eileen Yelland along with assistants Louise Patrick and Arletta Hamilton, faced a much larger class than they expected and, after a few minor adjustments were made, they carried the class off in

splendid form. The junior girls who have attended both classes that have been held to date are already showing they know how to handle themselves in a gymnasium.

The junior boys at the "Y" last evening numbered almost half a hundred. So many were on hand for the class that the instructresses of preceding junior girls' classes were called in to assist in some of the activities. So with three instructors and three instructresses on the job, there was no shortage of leadership.

FRESH MILK KEPT FRESH

Often Pacific Milk users ask why the flavor is so much like fresh cream.

This is due chiefly to two things, chief of which is the natural rich goodness of the fresh pure milk. This goodness is kept fresh for you through Vacuum Packing.

Instructors Parkhouse, Wilson and Collins, the team that was broken up last week due to two minor accidents, was back on the job last evening at Conrad Street School. They conducted the junior boys' class with their usual efficiency and are starting a drive for larger membership.

Boxing at Seal Cove School is definitely on the upgrade. Although Instructor Beggs maintains the boys are "away out of shape" both Leo and Adolf and Joe Warne looked pretty sharp to us.

By the way, the superstitious will be interested to know that 13 instructresses, instructors, assistants and leaders directed recreational classes last evening. They included: Eileen Yelland, Marjorie Jackson, Arletta Hamilton, Loverna Linney, Louise Patrick and Lorraine Youngman. Instructing boys classes were: Eric Freeman, Dave Clark, Denis O'Neill, Ted Parkhouse, Bill Collins, Don Wilson and Jeff Beggs.
