MAPLE LEAFS ARE SLIPPING

TORONTO, Nov. 9 (CP)—The Toronto Maple Leafs, Stanley Cup holders, failed to make a comeback in their National Hockey League game with Detroit Red Wings Thursday night. The Leafs lost the match, 3 to 2. It was the fifth loss in five starts for the champions. One game ended in a tie. The defeat at Detroit followed their loss Wednesday night at Toronto when a crowd of more than 12,000 fans saw the Bruins spot the Leafs two goals in the first six minutes of play and then come charging back to win 4 to 3. Don Gallinger sank the game-winning goal for Boston in the last two minutes of play. Gallinger's timely goal enabled the Bruin veteran to share scoring honors with his team-mate, Bep Guidolin. Toronto's scoring was divided between Billy Taylor, Gaye Stewart and Lorne Carr.

Another N.H.L. game took place last night with the match between Chicago and the Rangers at New York, Chicago winning 5 to 4. This was the opening of the hockey season in New York.

YOUNG PEOPLE GIVEN LIMITED USE OF GYM

Generous and speedy action on the part of Mayor H. M. Daggett and Lieut. Col. R. Richmond, officer commanding Prince Rupert defences, was responsible yesterday for revoking a ruling of Pacific Command headquarters which prohibited use of the Y.M.C.A. war services gymnasium by civilians.

The gymnasium has now been officially opened for use by young people under the age of 18 at times when it is not required for the military personnel.

Mayor Daggett wired to Deputy Minister of National Defence A. Ross at Ottawa Wednesday night when he had been advised that the order prohibiting civilian use of the gymnasium had become effective. He received a reply last night through Y.M.C.A. headquarters at Vancouver which stated that gymnasium had been made available for limited civilian use.

Approached by "Y" Director John Montgomery and by George McGregor, recreational director, and several army officers, Col. Richmond expressed a sympathetic attitude toward part-time use of the "Y" gymnasium as a method of combatting juvenile delinquency. He communicated with Major General F. F. Worthington, G.O.C., Pacific Command, with result that use of the building for that purpose will be allowed.

However, requirements by the army personnel will receive first consideration and the Rec Council's schedule will have to be adjusted to it.

"Y" Director John Montgomery said that he believed that an arrangement could easily be reached whereby service personnel could have as much use of the gym as they required and still leave room for Rec Council athletic schedules.

Mr. Montgomery pointed out that the new ruling allows for only the part-time use of the gymnasium and that other facilities in the building are still for the exclusive use of service or ex-service personnel.

"The ruling allows the gymnasium to be used only by young people under 18 and does not apply to adult civilians," he said.

Mr. Montgomery and Mr. McGregor are arranging schedules for unconflicting use of the gym by the servicemen and youngsters.

Directors Issue Statement Today

The following was issued today by John Montgomery of the Y.M.C.A. and George McGregor of the recreational organization:

"The Army authorities have taken cognizance of the fact that recreational facilities are urgently needed for the youngsters of Prince Rupert and have given their fullest co-opertion.

"Word was received on Thursday from Pacific Command that the young people will be given some use of the Y.M.C.A. war services gymnasium.

"The amount of time allotted for these recreational activities will depend upon the extent to which the gymnasium is required for the service personnel.

"A meeting of the Y.M.C.A staff will be called tomorrow after consultation with army sports officers to determine how much time can be given to the youngsters. This time will be made available to the director of recreation, to conduct supervised recreational classes. A definite schedule will be announced tomorrow."

"It appears at present that the Wednesday evening class will be continued and some time will be given to juvenile basketball."

Week-end Garage Service Will Be Given If Needed

S. E .Parker assured the Prince Rupert Chamber of Commerce at its meeting this week that local garages were alive to the question of providing over the week-end service at Prince Rupert notwithstanding the Saturday afternoon half-holiday agreement which has been reached between them. A scheme would probably be worked out whereby the service station operators would meet a situation which would appear to make emergency week-end accommodation necessary. Much depended upon the amount of business which would be available.

SHORT SPORT

In the American Hockey League Wednesday night, Hershey Bears won their match with Pittsburgh Hornets 9-3. The Bears came from behind three times and in the last period nosed out the Hornets. At Buffalo, the Bisons defeated Providence Reds 6-1 last night. There was a third straight victory for the Bisons on home ice.

The heavyweight boxing challenger in the United States, Billy Conn, looked in poor shape when he fought an exhibition bout at Kansas City Wednesday night. Conn fought Bear Cap Jones, a Pittsburgh training mate, for three rounds. The challenger was ten pounds over his pre-war fighting weight at 194. After the bout Conn said he was through exhibition fighting. He will soon start training for his championship bout in June with Joe Louis.

Yvon Robert tried to recover his wrestling championship at Montreal Wednesday night. But Bobby Managoff's pile driver hold was too much for him. Managoff won the match in two straight falls after Roberts had taken the opener.
