RENEWS BID FOR CROWN

Former Shropshire Police Inspector Again Campaigns After Serving with Home Guard and Working in War Factory

By HENRY B. JAMESON LONDON, Oct. 3 (AP)-"King Anthony" still has his eye on Buckingham Palace.

Anthony William Hall, affable 46-year old ex-police inspector of Shropshire and one-time Toronto resident, who claims he is ! direct descendant of King Henry VIII and that King George VI is a commoner, has come out of his wartime seclusion to renew his claims to the

King Anthony, as he calls himself, launched his bid for the title 10 years ago and predicted he would be living in the palace by 1940. He made more than 2,000 speeches in an effort to convince the English that he is their legitimate king, and he acquired quite a number of followers. But when the war came along Hall dropped all "royal' 'activities, went to work in a war factory and joined the Home Guard. He was a volunteer in the British Army of 1914.

"Now that the war is over, I propose to continue with my campaign," Hall declared as he outlined his policies.

While he styles himself "King Anthony the First of England and Prince of Wales," Hall, who once had an export business in Toronto and worked for a while in Eureka, California, is also flirting with the idea of reviving the ancient Irish kingdom-with its crown on his own head because his mother's maiden name was "Eire."

Hall bases his "title" on the alleged mix-up on the royal family tree back in the early 1600's. King George claims royal blood through King James VI of Scot- BEAUTIFUL 1946 Ford Deluxe

"It now appears that the real King James VI of Scotland died in infancy and that a changeling. James Erskine, was placed in the dead king's cradle and foisted on the British people," Hall states in his printed campaign propaganda.

"This James VI changeling story is true." he says. "Therethe Wettin family-now called Windsor-is out of the
