ticipated Rev. J. H. Myrwang, of Paulsbo, Washington, former tion and leadership the fine leadership of Peter Lien with Oisen in the evening. church at Fifth Avenue and Mc-Bride Street was built, and Rev. Roy E. Olsen of Ketchikan.

Mr. Myrwang gave a history of the church with particular reference to the events leading up to and through the carrying out of the building undertaking. He paid tribute to the loyalty and zeal of the congregation which had been the determining factor in keeping the church alive during the difficult times of depression when it had appeared it might go move and add one cup of flaked under. Now, however, the church was firmly established, occupying a place of definite esteem and respect in the community. olives. This makes about 11/2 He trusted that the church cups of the spread. As the tomato would continue to serve as a beacon past the rocks of sin ned salmon may be used in maktowards the goal of God. ing the spread, not necessarily

Mr. Olsen, spaaking inspiringly, congratulated the congregation on the accomplishand never notice it, and it's ment symbolized in the burning of the mortgage but emphasized that this should be no time to slacken up in the work of the church but should rather be the signal to renew efforts

I towards an even larger program of service in spreading the word of God. No doubt, there were many people in Prince Rupert who did not go to church and many children who did not attend Sunday School. He warned particularly against the church failing the men and women in the forces who would soon be returning home.

During the ceremony of the past few years, the congregation and the document was kindled of St. Paul's Lutheran Church, by Even Evenson, a former at a special service yesterday member of the council who was flight with their outfit. afternoon, witnessed the formal active in the building period couver.
