Briefs From Britain

By the Canadian Press

LONDON, (CP)—Maj. B. C. Thurbon became a grandfather the day after his marriage—a married daughter of his bride gave birth to a child the day following her mother's second wedding.

LONDON, (CP)—The R.A.F.'s 5½-ton bomb which, among other achievements, sank the Tirpitz is so perfectly streamlined that it falls faster than sound—a factor which greatly increases its accuracy.

CARDIFF, Wales, (CP)—William Thomas Beaven, 82, Cardiff's oldest magistrate and keen airman, has died. At 72 he made an aerial tour of the west country and midland airports advocating air training for youths.

RYE, Sussex, Eng., (CP)— Thirteen boys ranging in age from nine to 13, played a game of "Commando." Later, accused in court of breaking 190 panes of glass in two houses just repaired after buzz-bomb damage, they were ordered to pay $1 damages each.

HOW CAN I ? ? ?

By ANNE ASHLEY

Q. How can I make a cement for pipe joints?

A. Mix ten pounds of yellow ocher, four pounds of ground litharge, four pounds of whiting, one-half pound of hemp, cut up fine. Mix together with linseed to about the consistency of putty.

Q. How can I remove a rusty screw?

A. Heat a poker or spike red-hot and apply it to the head of a screw that is rusty and obstinate. When the screw has become hot it can be removed very easily.

Q. How can I take away all dampness of rooms?

A. Place blocks of camphor in all corners and on the shelves, replacing them as they evaporate.
