## GOINGS ON IN THE WORLD OF SPORT

November is nearing its close and still league basketball has to make its start—not that the talent is lacking, not that it is unorganized but that, here in the midst of so many playing venues, not one is available so that the sport may go ahead. A situation in that regard has arisen that seems hardly reason-

able. Postwar rehabilitation of sports and athletics, a very important phase of community welfare and happiness, is being held up at a time when it is most important that it should be making a strong start. Surely it should not be difficult to rectify the matter of obtaining a place to go. And that right soon.

period, battering in four goals. The win boosted them into a second place tie with Shawinigan Falls Cataracts in the Quebec Senior Hockey League standings. In Saskatoon, the Saskatoon Elks defeated the Regina Capitals 4-2 Tuesday night. The game went into overtime.

Pete Gray, the one-armed outfielder, has been released by the St. Louis Browns to the Toledo Club of the American Association. Gray once played with Three Rivers in the Canadian-American League, and joined the Browns last winter after serving with Memphis of the Southern Association, where he had been a sensation.

Annis Stukas has given notice that he and brother Bill are quitting the Canadian gridiron sport. "We've had enough," he said last night. He said they were retiring to the sidelines.

Last year's National Hockey League rookie award netminder, Frank McCool, may be going back to professional hockey. That's indicated today in a story carried by the Calgary Albertan. The paper says that McCool, who left the Toronto Maple Leafs before the first game this year as a result of a contract misunderstanding with Manager Connie Smythe, has been reinstated by the Leafs and returned to the payroll. His contract calls for a salary of \$4500 compared with the basic pay of \$3000 for which he played a year ago. McCool is quoted by the Albertan as saying: "I realize now that I made a mistake. I guess if I had stayed in Toronto we could have ironed out the differences then."

Agreement has been reached by officials of six clubs in the Junior "A" division of the Manitoba Hockey Association to take action to distribute all excess players equally among the clubs, thus providing a more balanced league. There was some opposition. Henry Borper and Art Chipman, representing the Winnipeg Ramblers, protested the conditions of the player pool. They threatened to withdraw their entry if two of their players—Fred Nelson and Bill Johnson—did not return to Winnipeg from Brandon. Chipman claimed that the other clubs in the circuit were raising players from the Rangers.

The National Hockey League veteran, wingman, Mac Colville, has been signed with the New York Rangers and may see action against Chicago Black Hawks later this week. Colville

In Ottawa Tuesday night, the Hull Volants bowed to a 5-3 victory marked up by the Valleyfield Braves. The Braves turned on the pressure in the second

## HOOP GAME IS THRILLER

Ordnance Defeats Service Corps by Narrow Margin of Two Points

In a game that was packed with thrills from start to finish, Ordnance basketball team went to the top of the Service League Tuesday night as a result of a close 32 to 30 victory over the Service Corps. The game was played at the Y.M.C.A. gym.

The Ordnance had garnered a two-point lead by half time and managed to hold on to that slim margin for the balance of the contest. Some phenomenal shots were recorded, an outstanding one being that of Bertiekin.

Top scorers for Ordnance were Sutton, with 10 points, and Lubin with nine. For Service Corps Trieky and Lang scored nine each and Cummings eight.

Lieut. Campbell was referee and Capt. Edwards scorekeeper.

The two teams will play again next week.

## WESTERN MUSIC AND ROMANCE

"Song of Nevada," with Roy Rogers, Coming This Week

Deluxe musical western, starring Roy Rogers and Dale Evans and Mary Kay. "Song of Nevada" is the new end feature at the Capitol Theatre here Friday and Saturday.

Against a background of modern west, the picture combines action, new songs, musical chorus routines, comedy and romance.

Rogers rides and sings in a lighthearted and footloose boy who, at the request of wealthy rancher, attempts to break up the romance of rancher's pretty daughter and suave, fortune-hunting stranger.

Climaxing the picture is stagecoach race in which horse teams are driven in a cross-country contest.

Thurston Hall, John Eddies, the Sons of the Pioneers, LeRoy Mason are in the supporting cast.
