LOOKING OVER MAJOR LEAGUES

The first and second teams in the American League race—the New York Yankees and the Chicago White Sox—are slated to meet in Chicago at Comiskey Park in the first of a four-game series.

The Yankees took over the top rung in the circuit when they defeated Cleveland Indians on Saturday while the White Sox lost to the Washington Senators. It wil be the first time the two clubs have played each other this season.

At Detroit the third place Tigers, who were defeated by Boston Red Sox Saturday, will play hosts to the Philadelphia Athletics at Briggs Stadium. In other games the Senators will tackle the Indians at Cleveland, and the Red Sox collide with the Browns at St. Louis.

In the National League, the New York Giants scored their 15th victory in 19 games Saturday defeating the St. Louis Cardinals, 6-1. The Giants are to play the Chicago Cubs today at New York.

The Brooklyn Dodgers strengthened their hold on second place by downing the Boston Braves, and are now set to tangle with the Pittsburgh Pirates at Brooklyn.

Remaining tilts in the senior circuit will see the Cardinals and Braves clash at Boston and the Reds and the Phillies meet at Philadelphia.

John Bracken — The Man

John Bracken, the son of a farmer Ephraim Bracken and his wife, Alberta, was born in a log cabin in Ellisville, Leeds County, Ontario, on the 22nd of June, 1883.

Here, briefly chronicled, are the main events in the life of John Bracken:

1898 - Student at Brockville Collegiate, Ontario.

1902-5 Student at the Ontario Agricultural College, Guelph. He won four scholarships, the Governor-General's Medal, was top honours student and class medalist. Here, too, he met Alice Wylie Bruce.

1906 - Young Bracken went to Winnipeg as representative of the Seeds Branch of the Dominion Department of Agriculture.

1907 - In the neighbouring Province of Saskatchewan, John Bracken became Superintendent of Fairs and Farmers' Institutes and Secretary of the Provincial Livestock Association.

1910 - John Bracken was appointed Professor of Field Husbandry at the new University of Saskatchewan. He took the first train to Guelph, Ontario, married Alice Wylie Bruce. Four sons were born — three of whom are now on Active Service with the Navy, Army and Air Force.

1920 - Already the author of two books on agriculture, John Bracken became President of the Manitoba Agricultural College.

1922 - John Bracken accepted the leadership of the Progressive Farmer Government, was sworn in as Prime Minister of Manitoba.

Now began the political life of the most continuously successful political leader the Empire has produced in this century. Since that day — from 1922 to 1942 — John Bracken has never been defeated.

1932 - The Liberals joined John Bracken's farmer government.

1940 - All the other political parties, including the C.C.F. and Social Creditors, threw in their fortunes with a great leader forming a wartime Coalition Manitoba government.

1942 - The year of John Bracken's great decision. John Bracken, the Progressive, accepted the national leadership of a great resurgent people's party — The Progressive Conservatives.
