Q. When a person with whom one is talking mispronounces a word, is it all right to use the same word a minute later and pronounce it correctly?
A. No. Unless the person is very stupid it is obvious to him that you are making a correction. It is much better to avoid using that particular word.

Q. What silver should be served with a fruit cup at a luncheon, a spoon or a salad fork?
A. A spoon.

Q. Is it permissible for a man to carry a dead cigar into a public conveyance of any kind?
A. No. The odor is obnoxious to many people.

HOW CAN I ???
By ANNE ASHLEY

Q. How can I prevent rusting of irons?
A. They will not rust when they are packed away for any length of time if they are rubbed with a little fat that contains no salt, such as mutton fat. Then wrap in brown paper.

Q. How can I make a cranberry salad?
A. A novel salad can be made with cranberry jelly served on a lettuce leaf with either mayonnaise or French dressing.

Q. How can I polish tin?
A. Tin articles can be made to look as bright as silver by rubbing with soda and old paper.
