Important Decision Coming Up

It is important that we should consider the economic situation in Canada.

United States were told that they are coming election campaign and the facing this year the worst food short- people will be called upon to measure age in the history of the country.

In addition to the shortage and rationing, consider the prices that the people of the United States have to sion and omission, any wartime govpay not only for their food but their clothing-prices so notoriously and so Citizens don't like paying heavy taxes, scandalously high that every one is they don't like rationing and they don't

and ask for a renewal of confidence, will be able to present a fiscal and economic record of which it may rightly and justifiably be proud.

It will be for the people to seriously consider what they are going to say by their ballots to a government which has kept its people, even its most severe critics, economically secure and physically satisfied in a measure never before achieved. It will be their responsibility if they decide to set up an administration which would carry them into new fields of political experimentation with the risk of disaster to one and all.

There will be political blandishments Just yesterday the people of the of many kinds offered in the forththe arguments with great degree of good sense and sound reasoning.

> Apart from its errors of commisernment is bound to become unpopular.

"Now, as I was saying . . . "

FIRE DAMAGES **AP'T HOUSE**

Fire caused by an overheated stove gutted two second story rooms of the Star Store, 819 Third_Avenue West, at 11:25 Saturday night but was brought under control by firemen before serious damage was done to other parts of the three-story building.

The apartments on the second floor were unoccupied and were being re-decorated, C. Hew. store proprietor, told Fire Chief H. T. Lock. He said that he had lit a fire in the stove to speed the drying of paint and kalsomine in the rooms but had forgotten to return to shut off the drafts.

First intimation that building was on fire came when the lights went out he went outside to learn if there had been a power failure. Passersby informed him of the fire.

Only occupant of the upper part of the building was Sgt.

FAMILY ALLOWANCES

Question: How much will each child receive? Answer: Children under 6 years of age

Children from 6 to 9 years of age \$6 Children from 10 to 12 years of age _\$7. Children from 13 to 15 years of age _\$8 a. In families of more than 4 children, there will reduction of \$1 a month for the fifth child, \$2 sixth and seventh child and \$3 for each a child. In other words, the four oldest childre 16 receive the regular allowance, and younger children on a reduced scale.

Examples:

1. TWO children aged 7 and 5 would get \$6 plus \$5 2. FOUR children aged 13, 9, 6 and 2 would get \$8, \$6, and \$5 3. EIGHT children aged 15, 14, 11, 10, 8, 4, 3, 1 would get \$8, \$8, \$7, \$5. \$3, \$3, \$2
