## HIGH SCHOOL STUDENTS RECEIVE DIPLOMAS AT GRADUATE EXERCISES

Twenty-seven young men and women, students at Booth Memorial High School, received graduation diplomas and a congratulatory handshake from School Trustee Mrs. M. Roper during graduation exercises for the class of '45 in the high school auditorium last night. The crowning moment of their public and high school life was observed before an audience of several hundred parents and friends and was the climax of a program which included musical presentations by the graduates and addresses by High School Principal W. W. C. O'Neill, Rev. A. F. MacSween and Capt. W. D. Rowlands, U.S. Army chaplain.

Faculty members of the high school, who occupied positions of honor on the stage watched proudly as members of the graduating class passed before them to receive diplomas from Mrs. Roper. The 15 girls of the class wore long white graduating dresses and the boys each carried a white carnation in their suit lapels.

The backdrop of the stage was a sunburst arrangement of green and gold streamers, the class colors, and immediately behind the guest table at the centre was a floral arch of lilac blooms and broom flowers.

Principal W. W. C. O'Neill explained that this year's graduating class was smaller than usual because during one term 12 years ago city schools had not accepted Grade One entries. "The quantity may be lacking but there is nothing wrong with the quality of this class," the principal said.

Rev. A. F. MacSween read a scriptural passage, the First Psalm: "Blessed is the man who walketh not in the counsel of the ungodly nor standeth in the way of sinners nor sitteth in the seat of the scornful." Main address of the program was by Capt. W. R. Rowlands who, in a speech that sparkled with witty comment, made a serious appeal for tolerance and understanding in the attitudes of the graduates. He warned against prejudice as a destroyer of peace and fullness in human life.

"Aim to be civilized citizens," he said, "and shun prejudice of all kinds." The graduating students sang their class hymn "The Lord's My Shepherd," and the gradu-

ating song, "Land of Hope and Glory." Gwen McRae and Mary Adcock presented a piano duet, "Diana," and Elspeth McKenzie sang a solo.

Valedictorian Jack McIntosh appeared perfectly at ease as he made the valedictory address. He outlined class activities during the year and dwelt on the hopes of the class members.

Miss Frances Moore, a former graduate, was piano accompanist for the musical part of the program.

Following the graduation exercises, a lunch, prepared by the students was served in the home economics room.

Members of the graduating class were: Marie Boulter, Laurence Bryant, John Christensen, Joan Clark, Robert Cruikshank, Bernice Eastwood, Malcolm Finlayson, Carol Grey, Faith King, William Laird, John McIntosh, Patricia McCallum, Jack Macey, George Crompt, David Martin, Christine Montgomery, Patricia Moore, Glenna Moore, Constance Patterson, Betty Pullen, John Richards, Janet Rochester, Agatha Schwab, Eva Simonson, Ronald Ward, Stanley Wozney, Olga Zabudney.

## DIVINE LAWS, LASTING PEACE

LONDON, June 8 — Lasting world peace has its roots in the permanency of divine laws and cannot be expected to rise from the foundations of selfish desires and aims, the Christian Science board of directors told the annual meeting of the Mother Church, the First Church of Christ, Scientist, in Boston.

Highlighting the meeting was the election of Mrs. Myrtle Holm Smith of Waban, Mass., as president of the Mother Church for

the ensuing year, succeeding Paul Stark Seeley, and the reelection of Roy Garrett Watson, treasurer, and Mary G. Ewing, clerk.

Christian Scientists heartily concur in the purpose of peace conference representatives in California to find ways and means to prevent war, the directors stated. They saw these efforts as making practical the Sermon on the Mount.

"The manifestation of God's law can never fail to quiet the turbulent waters, but we must assiduously strive to rule out of our thoughts any qualities which would work against, rather than for the peace of the individual, and therefore of the world." In this way, the directors indicated that world peace stems from the individual overcoming of human faults.

In tribute to the courageous struggle of Great Britain against the rising tide of Nazism, at and after the time when she stood alone in her armed resistance, and to those who held on in other lands, the directors stated: "Their consecrated prayers and unceasing efforts have been rewarded with a glorious victory."

## Reports From All Over Skeena Show

# MICKLEBURGH IS WINNING

### SPONSORED BY MERCHANT SEAMEN NOW IN PORT . . .

Call to all seamen and their families by the Political Action Committee of the Canadian Seamen's Union.

We issue a sharp warning that election of a Tory Government (Progressive-Conservative in alliance with Bloc Populaire and Union Nationale representatives from Quebec, or Conservative sections of the Liberal Party), would be disastrous to labor. In spite of the re-modelling of the Tory Party, its policies are designed to swing Canada back to the "Hungry Thirties."

The refusal of the CCF leadership to recognize the Tories as the main threat to labor and the welfare of the people is causing confusion among honest trade unionists who desire to see a large bloc of labor members in the next government.

It is plain that no one party can command the entire support of the people, and it is likely that no one party will have a majority of seats in the next Parliament. Therefore, Canada's next government must be a coalition government.

In line with the recommendations of the Political Action Committee of the Trades and Labor Congress we recommend that labor exercise its independent influence, and elect a government embracing all liberal and labor-minded people prepared to work together on a minimum program satisfactory to the Canadian people.

We urge support of all Unity candidates who are willing to participate in a democratic coalition government for progress.

### Skeena Unionists All-Out for Mickleburgh

The organized loggers of the whole Skeena coast and in the interior are solidly backing Mickleburgh. Wires from the camps signed by sub-local executive officers such as Bros. Fowler and Penner at Morgan's Cat Camp, Campbell, Lafontaine, MacIlfaterfck, Madsen and Matsen on Skidegate Inlet, Kelly in the Interior, Martinuk at Rivers Inlet, and more urge them to publish their appeals to vote for Bruce Mickleburgh. Collection sheets now in from most canneries tell a similar story. And you only have to talk to your neighbours to see the Mickleburgh trend that has developed in Rupert.

A stack of letters in our clubrooms from all over Skeena tell the same story. Come in and see them yourself.

## BECAUSE:

The Labor-Progressive Party is the only party fighting for progress in Canada in the ONLY WAY it can be won!

By a democratic coalition to beat the Tories (no wonder Major Harvey finds we have a "Nuisance Value"). Carry the fight to Ottawa. Backed by a united people we can win!

To Represent Skeena . . .

Bruce Mickleburgh, young fighting school teacher candidate of the Labor-Progressive Party, is that man. Years of earnest struggle on behalf of the people has made him known from one end of Skeena to the other. One of the best products of our younger generation, we shall be fortunate to have him as our member to Ottawa.
